Handbook of Peace and Conflict Studies Charles Webel, Johan Galtung, 2007-03-12 This major new Handbook provides a cutting edge and transdisciplinary overview of the main issues debates state of the art methods and key concepts in peace and conflict studies today The fields of peace and conflict studies have grown exponentially since being initiated by Professor Johan Galtung half a century ago They have forged a transdisciplinary and professional identity distinct from security studies political science and international relations. The volume is divided into four sections understanding and transforming conflict creating peace supporting peace peace across the disciplines Each section features new essays by distinguished international scholars and professionals working in peace studies and conflict resolution and transformation Drawing from a wide range of theoretical methodological and political positions the editors and contributors offer topical and enduring approaches to peace and conflict studies The Handbook of Peace and Conflict Studies will be essential reading for students of peace studies conflict studies and conflict resolution It will also be of interest and use to practitioners in conflict resolution and NGOs as well as policy makers and diplomats The Oxford Handbook of Max Weber Dr. Edith Hanke, Dr. Lawrence A. Scaff, Dr. Sam Whimster, 2019-12-04 Active at the time when the social sciences were founded Max Weber's social theory contributed significantly to a wide range of fields and disciplines Considering his prominence it makes sense to take stock of the Weberian heritage and to explore the ways in which Weber's work and ideas have contributed to our understanding of the modern world Using his work as a point of departure The Oxford Handbook of Max Weber investigates the Weberian legacy today identifying the enduring problems and themes associated with his thought that have contemporary significance the nature of modern capitalism neo liberal global economic policy nationalism religion and secularization threats to legality the culture of modernity bureaucratic rule and leadership politics and ethics the value of science power and inequality These problems are global in scope and the Weberian approach has been used to address them in very different societies Thus the Handbook also features chapters on Europe Turkey Islam Judaism China India and international politics The Handbook emphasizes the use and application of Weber's ideas It offers a journey through the intellectual terrain that scholars continue to explore using the tools and perspectives of Weberian analysis The essays explore how Weber's concepts hypotheses and perspectives have been applied in practice and how they can be applied in the future in social inquiry not only in Europe and North America but globally The volume is divided into six parts exploring in turn Capitalism in a Globalized World Society and Social Structure Politics and the State Religion Culture and Science and Knowledge **Peace on Earth** Thomas Matyók, Maureen Flaherty, Hamdesa Tuso, Jessica Senehi, Sean Byrne, 2013-12-16 Peace on Earth The Role of Religion in Peace and Conflict Studies provides a critical analysis of faith and religious institutions in peacebuilding practice and pedagogy The work captures the synergistic relationships among faith traditions and how multiple approaches to conflict transformation and peacebuilding result in a creative process that has the potential to achieve a more detailed view of peace

on earth containing breadth as well as depth Library and bookstore shelves are filled with critiques of the negative impacts of religion in conflict scenarios Peace on Earth The Role of Religion in Peace and Conflict Studies offers an alternate view that suggests religious organizations play a more complex role in conflict than a simply negative one Faith based organizations and their workers are often found on the frontlines of conflict throughout the world conducting conflict management and resolution activities as well as advancing peacebuilding initiatives Sport and Peace-Building in Divided Societies John Sugden, Alan Tomlinson, 2017-09-14 Sport is a cultural institution that stands at the interface between political and civil society In divided communities sport has been an agent of separation sectarian hatred and violence but also a highly effective tool for conflict resolution reconciliation and peace building In this important study John Sugden and Alan Tomlinson draw on their extensive international experience of working with divided communities to develop a methodological and theoretical model for peace building in sport The book showcases original case studies from three regions of the world in which sport has played a prominent role in social deconstruction and reconstruction Northern Ireland Israel Palestine and South Africa Combining a wealth of primary and secondary data the authors chart the rise of the contemporary Sport for Development and Peace movement SDP and outline an important new practice based framework for understanding researching and working to achieve positive social change in the SDP sector This is essential reading for any student researcher or practitioner with an interest in the sociology of sport sport development international development peace studies or conflict resolution

Routledge Handbook of Childhood Studies and Global Development Tatek Abebe, Anandini Dar, Karen Wells, 2024-08-28 The Routledge Handbook of Childhood Studies and Global Development explores how global development agendas and processes of economic development influence children's lives It demonstrates that children are not only the frequent targets or objects of development but that they also shape and influence processes of economic political and sociocultural development The handbook makes the case for the importance of placing children at the heart of development debates and demonstrates how researchers policymakers and practitioners can engage children in development Through reports on field research as well as a critical engagement with theories in development studies and childhood studies contributors contest normative assumptions about childhood and global development They tease out and tease apart the complex social historical cultural economic epidemiological ecological geopolitical and institutional processes transforming what it means to be young in the world today Showcasing research from both established scholars and early career researchers and with particular prominence given to the work of authors from the global south this book will be an essential reference for policymakers practitioners and for researchers and students across childhood studies education geography sociology and global development Handbook on Gender in World Politics Jill Steans, Daniela Tepe-Belfrage, 2016-07-27 The Handbook on Gender in World Politics is an up to date comprehensive multi disciplinary compendium of scholarship in gender studies The text provides an indispensable reference guide for scholars and students interrogating gender issues in international and

global contexts Substantive areas covered include statecraft citizenship and the politics of belonging international law and human rights media and communications technologies political economy development global governance and transnational visions of politics and solidarities The Oxford Handbook of the Economics of Religion Rachel M. McCleary, 2011-01-27 In this Handbook leading scholars demonstrate the application of the economics of religion approach to topics on human capital the state regulation of religion economic aspects of religion and how religious markets function The chapters also provide a discussion of new data sets and methods of measuring religious participation and beliefs **Interreligious Curriculum for** Peace Education in Nigeria Isaiah Ekundayo Dada, 2019-04-18 Nigeria a country under a military regime for several years transitioned to a civilian regime in May 1999 Since this change violent conflicts between Christians and Muslims have continued to erupt They constitute one of the gravest dangers facing Nigeria a country with a population of 189 million people What have Nigerian religious leaders done about this situation especially in educational circles Have they received formal educational training to understand the causes of this violence and especially how to provide alternatives for more peaceful relations within Nigeria Does the current educational system in Nigeria provide the main ingredients for the promotion of a culture of peace The absence and neglect of interreligious peace education as part of a peace education core program and the lack of an interreligious curriculum for peace education in the training of religious leaders are the two problems contributing towards the lack of effectiveness of religious leaders in promoting less violent and more peaceful living The solution to the problem is proposed in this book entitled Interreligious Curriculum for Peace Education in Nigeria The book develops a one year curriculum building on Yoruba Islamic Christian conceptions of peace and teaches how to create safe caring spiritual peaceful and successful interfaith relationships between all Nigerian religious communities In the long term the book helps to educate religious leaders to contribute in themselves and with the help of their respective religious communities to reducing the growing religious violence in Nigeria The Psychology of Peace Promotion Mary Gloria C. Njoku, Leonard A. Jason, R. Burke Johnson, 2019-07-04 This volume Psychology of Peace Promotion builds on previous volumes of peace psychology extending its contributions by drawing from peace research and practices from five continents Africa Asia Europe North America and South America The book discusses emerging disciplinary and inter disciplinary theories and actions Each chapter begins with a theoretical framework for understanding peace followed by a critical review of peace promotion in a specific setting and concludes with an illustration of psychological principles or theories in either a narrative format or an empirical investigation This volume develops as well as guides its readers on the epistemology of promoting and sustaining peace in varied settings around the world This book presents relevant cutting edge peace promotion strategies to anyone interested in promoting peace more effectively including peace practitioners scholars teachers and researchers as well as the general reader It presents a number of innovative approaches illustrating their applications to specific social problems settings and populations In addition this volume has much in store for both academic

and practice based scientists in the field of peace psychology mental health professionals administrators educators and graduate students from various disciplines. The goal is the promotion and sustenance of peace using theoretically sound yet innovative and creative approaches As expressed by the United Nations Secretary peace does not occur by happenstance Promoting and sustaining peace requires reflective thoughtful and targeted efforts This book inspires its readers to develop a better understanding of peace and the means of promoting peace in a sustainable way The Oxford Handbook of <u>Transformations of the State</u> Stephan Leibfried, Evelyne Huber, Matthew Lange, Jonah D. Levy, Frank Nullmeier, John D. Stephens, 2015 This Handbook offers a comprehensive treatment of transformations of the state from its origins in different parts of the world and different time periods to its transformations since World War II in the advanced industrial countries the post Communist world and the Global South Leading experts in their fields from Europe and North America discuss conceptualizations and theories of the state and the transformations of the state in its engagement with a changing international environment as well as with changing domestic economic social and political challenges The Handbook covers different types of states in the Global South from failed to predatory rentier and developmental in different kinds of advanced industrial political economies corporatist statist liberal import substitution industrialization and in various post Communist countries Russia China successor states to the USSR and Eastern Europe It also addresses crucial challenges in different areas of state intervention from security to financial regulation migration welfare states democratization and quality of democracy ethno nationalism and human development The volume makes a compelling case that far from losing its relevance in the face of globalization the state remains a key actor in all areas of social and economic life changing its areas of intervention its modes of operation and its structures in adaption to new international and domestic challenges Public Health, Public Trust and American Fragility in a Pandemic Era Norbert Goldfield, 2023-09-20 This book explores how professionals and policymakers in mental and physical health care can use lessons from the COVID pandemic to better inform future public policy and treatment Using the United States as a test case Norbert Goldfield draws on his professional experience in healthcare and policy making to explore how some societies have emerged from the pandemic with increasing internal conflicts The author uses excerpts from his own COVID diary to revisit key stages in the response to the COVID pandemic to highlight where division has entered the publish health discourse and to set out an alternative vision of how mental and physical health can be framed professionally and publicly In addition to this account Dr Goldfield details how our political system should change with respect to pandemics and how health professionals together with the lay public can help Specifically the book highlights the three critical issues confronting American pandemic fragility increasing vaccinations decreasing misinformation and fostering greater linkages between our public and acute health systems This book will be invaluable for all types of health care professionals both in mental and physical health arenas lay people interested in the pandemic and for policymakers **Literary Urban Studies and How to Practice It** Jason Finch, 2021-11-22 Literary

Theatre and the Israel-Palestine Conflict Azza
Harras,2025-02-20 This book delves into the complex narratives surrounding the ongoing Israeli Palestinian dispute through
the unique lens of theatre This ground breaking exploration employs postcolonial theory to analyze a diverse array of
theatrical works by Israeli Palestinian and Western playwrights By juxtaposing portrayals of significant events such as the
Nakba or the Israeli War of Independence the Intifadas and the experiences of diaspora and exile Harras provides a nuanced
examination of how these events are represented on stage The book reveals the profound impact of language in constructing
and contesting historical narratives and underscores theatre s role as a space for cultural critique and self reflection This
comprehensive study offers new insights into the power of artistic expression to challenge historical dichotomies and
encourage a deeper understanding of this enduring conflict Essential for scholars of Postcolonial Studies Middle East Studies
and the Performing Arts this work invites readers to reconsider the conflict through the transformative lens of theatre
