Information Governance Robert F. Smallwood, 2016-05-20 Information governance IG is now seen as a crucial initiative in leading organizations IG is about minimizing information risks and costs while maximizing its business value IG is in short the ability to secure control and optimize information But IG has often been presented as a complicated and blurry concept

and IG programs have often fallen short of their aims This little book will provide you with crystal clear definitions of IG and its concepts give you a high level understanding of the drivers and benefits of IG help you develop the business case and show you how to launch and manage an ongoing IG program Strategic Information Technology Arthur M. Langer,Lyle Yorks,2018-09-05 Successfully navigate the changing face of the CIO role Strategic Information Technology offers CIOs a handbook for engaging with the senior management conversations surrounding strategy The CIO role is currently undergoing a massive transition from technology focused expert to a more strategic mindset and this book provides proven methods for taking your seat at the table Lessons from high performing CIOs and a wealth of leading edge insight provide invaluable guidance for positioning technology as a strategic driver across the business while a focus on building the necessary connections for example an alliance between IT and HR provide a multimodal approach to navigating the transition The evolution of the CIO s role involves more than simply technical knowledge the new CIO must be an influencer an engager and just as adept at the soft skills that become increasingly crucial as you climb the management ladder It s about changing mindsets translating hard skills into strategic advantages and demonstrating IT s value to the strategic decision making process This book provides best practices illustrative examples and up to date perspective for CIOs wanting to Position IT as a critical driver of overall strategy Build on functional expertise with strategic insight Learn from the stories of successful tech to strategy transformations Engage C Suite peers in shaping the strategic conversation Not long ago the CIO occupied a unique place in the C Suite Executive by title CIOs have nevertheless been seen as predominantly the chief tech expert with little input into strategy as IT has historically been regarded as a tool rather than a source of competitive advantage The truth is becoming increasingly apparent with companies around the world turning to technology in order to gain a competitive edge and CIOs are beginning to claim their place in strategy discussions Strategic Information Technology offers much needed guidance for a successful transformation **American Book Publishing Record** ,2005
