

### INHERIT THE WIND

State the speaker and the significance of the following quote: Your answers must be in **complete paragraph format**. (Remember: one sentence = one point)

(5 marks each)

1. The individual human mind. In a child's power to master the multiplication table there is more mystery than in all your stonied "Mosaic", "Holy, Holiest" and "Mosaicist". An idea is a greater monument than a cathedral. And the advance of man's knowledge is more of a miracle than any stick turned to snake, or the parting of waters!
2. Lord, we call down the same curse on those who ask grace for this sin—though they be blood of my blood, and flesh of my flesh!
3. I am trying to establish, Your Honor, that Howard—or Colonel Brady—or Charles Daniels—or anyone else in this courtroom—or you, sir—has the right to think!
