Sometimes seminaries aren't as peaceful and serene as they are cracked up to be. Scars Don't Hurt Blake Davidson, 2012-06-28. Based on the author's compelling true story of being freed from years of sexual abuse by her brother and forgiving him, Scars Don't Hurt chronicles Davidson's battle and ultimate victory over tragic circumstances. Born into a Mennonite family and defiled from the ages of 4 to 13, Davidson writes, "The greatest gift God has ever given me in my life is a healing so perfect, so miraculous, and so complete that I can rejoice that my abuser's been forgiven. There are many people in the world who would wish someone like him a spot in the hottest of hell, but I am glad to know a God who will forgive sins as grave as this." Written in an easy-to-read style, Scars Don't Hurt is not only the author's story of redemption from sexual abuse; it also tells the stories of three generations' victory through faith in Jesus Christ over broken relationships, financial ruin, and emotional upheaval. Scars Don't Hurt is a must-read for anyone who has faced sexual abuse, childhood trauma, or insurmountable odds and looked to overcome them through the power of forgiveness and redemption. About the author: Margaret Davidson lives in St. Catharines, Ontario. Married since 1963, she and her husband Bill have three children. Her message is one of love and total forgiveness.

It Started with a Pail Don Litchko, 2013-01-09. Twenty-five years ago, when three of the author's children left the nest—some to attend college, some to get married—he started writing them a weekly letter just to sure that they knew the old man loved and missed them. Over the years, others heard of the letters and asked to be added to the distribution list, and it grew and grew and grew, and today goes out to about six hundred readers. Litchko was writing blogs before the world knew what a blog was. This book is a collection of stories, smiles, and memories excerpted from over a thousand Litchko newsletters. All written with the intent to lower the reader's blood pressure a notch or two. Mental Training for High School, and College Golfers Jim Kerley, 2011. The first thing to remember about this program is it is not just a book, but a complete course in mind training. To take this course, the person must have an open mind and a huge desire for success. Without desire to be the best, you can't be in the game of golf; this course is not for you. This course teaches the basic principles over and over with exercises in every chapter. This is not only a course, but a player's diary of their goals, practice techniques, on-course mental goals during competition. Every player that completes this course will automatically cut 8 to 10 strokes off their game. It is a must; you follow each chapter and the exercises for success. This course will repeat until each player understands. The course teaches a player who they really are, controls anger, develops honesty, trust, and confidence. Why spend thousands of dollars on equipment and lessons before we train the mind first? We are teaching backwards the principles of true golf. Yes, there are a lot of great golfers coming up, but each one is understanding the mental side first, starting with Tiger Woods at a very early age. The competition is greater; courses are longer, and thousands of young golfers are coming on the scene. Why wait? This is the first and only mental training complete course. Remember, this is not just a book. Time

to take charge of your game now Consider the price of a golf lesson This course is much more valuable at the same price You will not be dissatisfied **How Not To Commit Murder** Robin Storey,2013-04-14 For conman Reuben Littlejohn going straight was never going to be easy Then he s blackmailed into murder and it gets a whole lot harder Career conman Reuben Littlejohn is determined to go straight this time after his release from prison with the help of his new wife But he hadn t counted on stumbling across a plot to kill his parole officer Lucy with whom he is madly in lust Or being blackmailed into becoming an accomplice to her murder Never have his skills in lying and cheating been so vital Can he save his own life as well as Lucy s without his wife finding out If you like Donald Westlake and Colin Bateman you ll love this book with its artful blend of comedy and crime and flawed but engaging characters Click the Buy Now button to start reading this comical tale of murder and mayhem **Stay With Me** Campbell Linden,2024-10-07 A Sexy Stranded Together Second Chance Starting Over Later In Life Standalone Romance from Author Campbell Linden He s a successful true crime writer and single dad She s a public relations guru recently divorced mother of two adult children A forgetful mistake leads to a bumpy meet cute and instant attraction Now they want to live happily ever after if only their families will get on board Evelyn Evie Randall Marron has always gone after what she wanted in life and business Now that she s recently divorced she s ready to start over and is excited to see where life takes her Right now it s taking her on a yoga retreat in Italy with her best friend What she didn t expect was to meet the most gorgeous and charismatic man she s ever known after crashing into his very expensive car Widower and single dad Ford Alcott is a successful true crime writer and sometime movie script doctor who is raising his 10 year old son in an Italian villa outside of Rome Ever since his wife died his focus has been on their son leaving little time for dating But when Evie crashes into his life the instant attraction leads to a relationship that crosses continents and time zones and he s willing to put in the work for this once in a lifetime love When family disapproval of their intense love comes to a head do Ford and Evie have what it takes to show that love conquers all Can they find a way to stay **9/11 and the Canyons of Fire** B.
