Jacob Wrestling With God Pulpit Legends Collection:

Jacob F. B. Meyer, 2001-03 The story of Jacob's life portrays victories as well as failures Jacob's journeys are some of the most intriguing life journeys in all of Scripture for in these journeys Jacob experienced several revelations from God Through these revelations Jacob learned to follow God to hear His word and obey With a conscious intention of breaking down the artificial walls of time and prestige F B Meyer introduces us to the real man behind the mystique He portrays Jacob as completely human with the temptations frailty and failures common to all of us The Bible Meyer says does not hesitate to tell us the very worst about its heroes that we may better magnify the grace of God In biographical style Meyer's comforting words will help you discover the numerous passages of Scripture where God calls himself the God of Jacob The author seems to take special delight in this paradoxical title which links God's holy nature and protective strength with the frailties and weaknesses of Jacob and all mankind After reading Jacob Wrestling with God you should have little doubt that God can do for all of us what He has done for Jacob if only we are willing to make a complete surrender to God and seek the fullness of His spirit
