Killing In War Uehiro Series In Practical Ethics

Yvonne Chiu

Killing In War Uehiro Series In Practical Ethics:

Killing in War Jeff McMahan, 2009-04-23 Killing a person is in general among the most seriously wrongful forms of action yet most of us accept that it can be permissible to kill people on a large scale in war Does morality become more permissive in a state of war Jeff McMahan argues that conditions in war make no difference to what morality permits and the justifications for killing people are the same in war as they are in other contexts such as individual self defence This view is radically at odds with the traditional theory of the just war and has implications that challenge common sense views

McMahan argues for example that it is wrong to fight in a war that is unjust because it lacks a just cause **Killing in War** Jeff McMahan, 2009-04-23 Killing a person is in general among the most seriously wrongful forms of action yet most of us accept that it can be permissible to kill people on a large scale in war Does morality become more permissive in a state of war Jeff McMahan argues that conditions in war make no difference to what morality permits and the justifications for killing people are the same in war as they are in other contexts such as individual self defence This view is radically at odds with the traditional theory of the just war and has implications that challenge common sense views McMahan argues for example that it is wrong to fight in a war that is unjust because it lacks a just cause *Conspiring with the Enemy* Yvonne

Chiu, 2019-10-08 Despite the strong influence of just war theory in military law and practice warfare is commonly considered devoid of morality Yet even in the most horrific of human activities there is frequent communication and cooperation between enemies One remarkable example is the Christmas truce unofficial ceasefires between German and English trenches in December 1914 in which soldiers even mingled in No Man s Land In *Conspiring with the Enemy* Yvonne Chiu offers a new understanding of why and how enemies work together to constrain violence in warfare Chiu argues that what she calls an ethic of cooperation is found in modern warfare to such an extent that it is often taken for granted The importance of cooperation becomes especially clear when wartime ethics reach a gray area To whom should the laws of war apply Who qualifies as a combatant Should guerrillas or terrorists receive protections Fundamentally Chiu shows the norms of war rely on consensus on the existence and content of the laws of war In a wide ranging consideration of pivotal instances of cooperation Chiu examines weapons bans treatment of prisoners of war and the Geneva Conventions as well as the tensions between the ethic of cooperation and the pillars of just war theory An original exploration of a crucial but overlooked phenomenon *Conspiring with the Enemy* is a significant contribution to military ethics and political philosophy Warfare

Ethics in Comparative Perspective Sumner B. Twiss, Ping-cheung Lo, Benedict S. B. Chan, 2024-04-11 This volume explores East Asian intellectual traditions and their influence on contemporary discussions of the ethics of war and peace Through cross cultural comparison and dialogue between East and West this work charts a new trajectory in the development of applied ethics A sequel to the volume *Chinese Just War Ethics* it expands the range of the earlier work and includes attention to Japan and other Eastern and Western traditions for contrastive reflection and engages with the full range of Chinese

intellectual traditions for comparative analysis The book scrutinizes pioneering works such as the Mengzi the Han Feizi and the Seven Military Classics investigating their influence in subsequent times It also engages with new texts and thinkers such as the Four Books of the Yellow Emperor Zeng Guofan Chiang Kai shek and Mao Zedong along with examining recent writings of the scholars of the People s Liberation Army The final section of the book identifies and discusses some emerging issues in the comparative study of military ethics just war and peace that derive from the preceding sections The volume editors then offer some concluding remarks at the end of the book This book will be of much interest to students of the ethics of war and peace just war theory military ethics Asian studies and International Relations in general **The Purpose of**

Futility Clare Rhoden,2015 In The Purpose of Futility Clare Rhoden surveys Australian Great War narratives demonstrating their particularly Australian features which help to explain the unique and disputed position of the Great War in Australian history Provided by publisher *May I Kill?* Jeffrey K. Mann,2018-09-28 Today we live in a world where we are less exposed to violence than at any other time in history However we also know that violence can come knocking on our door at any moment Preparing for this possibility means more than physical safety it means being clear with ourselves about the ethics of violence Can violence be justified When should we fight How should we fight And in situations when things have gone badly may we kill These questions are not only for politicians soldiers and police officers but are also important considerations for civilians whose lives do not normally intersect with violence Whether advocating for government policies marching in the streets or defending ourselves and loved ones a coherent moral framework is essential to good decision making *May I Kill* examines the efficacy of different approaches to non violence and Just War Theory By scrutinizing these ethical theories the reader is encouraged to critically examine occasions for the use of force from a moral perspective whether nations at war or violent encounters in our own neighborhoods We may then determine how best to develop ourselves body mind and spirit to respond effectively and make the world a safer place Sparing Civilians Seth Lazar,2015-11-05 Killing civilians is worse than killing soldiers If any moral principle commands near universal assent this one does It is written into every major historical and religious tradition that has addressed armed conflict It is uncompromisingly inscribed in international law It underpins and informs public discussion of conflict we always ask first how many civilians died And it guides political practice at least in liberal democracies both in how we fight our wars and in which wars we fight Few moral principles have been more widely and more viscerally affirmed than this one And yet in recent years it has faced a rising tide of dissent Political and military leaders seeking to slip the constraints of the laws of war have cavilled and qualified Their complaints have been unwittingly aided by philosophers who rebuilding just war theory from its foundations have concluded that this principle is at best a useful fiction *Sparing Civilians* aims to turn this tide and to vindicate international law and the ruptured consensus In doing so Seth Lazar develops new insights into the morality of harm relevant to everyone interested in normative ethics and political philosophy An Introduction to Political Philosophy Colin Bird,2019-04-25 An updated

comprehensive and thematic introduction to political philosophy enabling readers to reflect critically on a variety of political issues

The European Union and the Use of Military Force Tommi Koivula, 2016-05-26 Koivula examines the discursive space related to the use of military force by the European Union EU By examining the EU's relationship to its use of military force during the course of its history and by demonstrating that the contemporary discursive space of the EU military dimension is incoherent in nature and contains inherent contradictions he seeks to answer the related question of whether extreme forms of military enforcement for example killing is appropriate for the EU

Ethics for Enemies F. M. Kamm, 2013-05-23 Ethics for Enemies comprises three original essays on highly contentious issues in practical moral philosophy F M Kamm presents powerful arguments about the concept and morality of torture what makes terrorism wrong and whether it is always wrong and whether the right motivation and the proportionality of harms to good can make war just

Killing by Remote Control Bradley Jay Strawser, 2013-06-13 A new powerful military weapon has appeared in the skies of world and with it a new form of warfare has quickly emerged bringing with it a host of pressing ethical questions and issues This book brings together some of the best scholars currently working on these questions

The War between Russia and Ukraine Nicole Kunkel, Torsten Meireis, 2025-08-18 Depending on the global but also the European context peace ethical perspectives on the Russian Ukrainian war differ considerably While many Northern Western Middle and South Eastern European states stress the illegitimacy and illegality of Russia's invasion in Ukraine according to international law some European and many states in the global South and East take a different stance Thus important international agents like South Africa have abstained from voting on UN resolution A RES ES 11 1 March 2nd 2022 and also the renewed resolution A ES 11 L 7 February 23rd 2023 Brazil's president Lula da Silva claims neutrality in the conflict South African officials understand Russia as a long standing ally and the conflict as a recalibration of the global order and they don't stand alone with that view This book brings together voices from theology political science and peace ethics from three continents for an intercontinental public theological and interdisciplinary conversation on peace ethics that takes decolonial perspectives into account without giving up claims of universal validity of human rights

Globalization, Violence and World Governance Laura Westra, 2011-02-14 In this work Laura Westra draws our attention to the failure of international law to promote and protect the rights of society in the face of the ravages of neoliberal agendas in an era of globalization This book outlines how international law is perhaps a misnomer and at its core there is a great distance between laws as they are written and laws as they are implemented

Naming Violence Mathias Thaler, 2018-09-11 Much is at stake when we choose a word for a form of violence whether a conflict is labeled civil war or genocide whether we refer to enhanced interrogation techniques or to torture whether a person is called a terrorist or a patriot Do these decisions reflect the rigorous application of commonly accepted criteria or are they determined by power structures and partisanship How is the language we use for violence entangled with the fight against it In Naming Violence Mathias Thaler articulates a novel perspective on the study of violence

that demonstrates why the imagination matters for political theory His analysis of the politics of naming charts a middle ground between moralism and realism arguing that political theory ought to question whether our existing vocabulary enables us to properly identify understand and respond to violence He explores how narrative art thought experiments and historical events can challenge and enlarge our existing ways of thinking about violence Through storytelling hypothetical situations and genealogies the imagination can help us see when definitions of violence need to be revisited by shedding new light on prevalent norms and uncovering the contingent history of ostensibly self evident beliefs Naming Violence demonstrates the importance of political theory to debates about violence across a number of different disciplines from film studies to history

Human Rights Laura Westra, 2011-11-01 International law has evolved to protect human rights But what are human rights Does the term have the same meaning in a world being transformed by climate change and globalized trade Are existing laws sufficient to ensure humanity's survival Drawing on case law and practice and examples from philosophy law and ecology Laura Westra argues that the current system is not adequate international law privileges individual over collective rights permitting multinational corporations to overlook the collectivity and the environment in their quest for wealth and power Unless policy makers redefine human rights and reformulate environmental law and policies to protect the preconditions for life itself water food clean air and biodiversity humankind faces the complete loss of the ecological commons the preservation of which is one of our most basic human rights A new kind of cosmopolitanism one centred on the United Nations offers the best hope for preserving our common heritage and the survival of future generations

Just and Unjust Warriors David Rodin, Henry Shue, 2008-07-17 Can a soldier be held responsible for fighting in a war that is illegal or unjust This is the question at the heart of a new debate that has the potential to profoundly change our understanding of the moral and legal status of warriors wars and indeed of moral agency itself The debate pits a widely shared and legally entrenched principle of war that combatants have equal rights and equal responsibilities irrespective of whether they are fighting in a war that is just or unjust against a set of striking new arguments These arguments challenge the idea that there is a separation between the rules governing the justice of going to war the *jus ad bellum* and the rules governing what combatants can do in war the *jus in bello* If *ad bellum* and *in bello* rules are connected in the way these new arguments suggest then many aspects of just war theory and laws of war would have to be rethought and perhaps reformed This book contains eleven original and closely argued essays by leading figures in the ethics and laws of war and provides an authoritative treatment of this important new debate The essays both challenge and defend many deeply held convictions about the liability of soldiers for crimes of aggression about the nature and justifiability of terrorism about the relationship between law and morality the relationship between soldiers and states and the relationship between the ethics of war and the ethics of ordinary life This book is a project of the Oxford Leverhulme Programme on the Changing Character of War

Rethinking Moral Status Steve Clarke, Hazem Zohny, Julian Savulescu, 2021 Scientific and technological

advancements have allowed us to create beings that blur the distinctions between human non human animal and non biological beings which challenge our assumptions about moral status This volume explores our responses to these challenges and reflects on ordinary presuppositions and intuitions about moral status **Counter-Terrorism** Miller, Seumas,Henschke, Adam,Feltes, Jonas Feltes,2021-07-31 This insightful book provides an analysis of the central ethical issues that have arisen in combatting global terrorism and in particular jihadist terrorist groups notably Al Qaeda Islamic State and their affiliates Chapters explore the theoretical problems that arise in relation to terrorism such as the definition of terrorism and the concept of collective responsibility and consider specific ethical issues in counter terrorism The Robust Demands of the Good Philip Pettit,2015-05-14 Philip Pettit offers a new insight into moral psychology He shows that attachments such as love and certain virtues such as honesty require not only their characteristic positive behaviours in the actual world i e as things are but preservation of those characteristic behaviours across a range of counterfactual scenarios in which things are different from how they actually are The counterfactual robustness in this sense of these behaviours is thus part of our very conception of these attachments and these virtues Pettit shows that attachment virtues and respect all conform to a similar conceptual geography He explores the implications of this idea for key moral issues such as the doctrine of double effect and the distinction between doing and allowing He articulates and argues against an assumption which he calls moral behaviourism which permeates contemporary ethics *Civilian Immunity in War* Igor Primoratz,2007-10-04 The protection of noncombatants from deadly violence is the centrepiece of any account of ethical and legal constraints on war It was a major achievement of moral progress from early modern times to World War I Yet it has been under constant attrition since perhaps never more so than in our time with its new wars the spectre of weapons of mass destruction and the global terrorism alert *Civilian Immunity in War* written in collaboration by eleven authors provides the first comprehensive analysis of all main aspects of this highly topical subject It considers the arguments for rejection of civilian immunity and the main theories of the grounds and proper scope of this immunity both deontological just war theory and consequentialist Separate chapters examine the historical development of the idea of civilian immunity its standing in current international law and the problem of collateral damage of harming civilians without intent as a side effect of attacks on military targets The volume also addresses a string of specific issues Civilian immunity has undergone much attrition with the development of air warfare and the tendency of military conflict to degenerate into total war On the other hand modern military technology with its precision guidance missiles and smart bombs opens up the possibility of restricting deadly violence to its proper targets and staying clear of civilian life limb and property Another pressing issue is the fate of women in war in light of mass rapes characteristic of some new wars

Killing In War Uehiro Series In Practical Ethics Introduction

In the digital age, access to information has become easier than ever before. The ability to download Killing In War Uehiro Series In Practical Ethics has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Killing In War Uehiro Series In Practical Ethics has opened up a world of possibilities. Downloading Killing In War Uehiro Series In Practical Ethics provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Killing In War Uehiro Series In Practical Ethics has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Killing In War Uehiro Series In Practical Ethics. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Killing In War Uehiro Series In Practical Ethics. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Killing In War Uehiro Series In Practical Ethics, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Killing In War Uehiro Series In Practical Ethics has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is

crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Killing In War Uehiro Series In Practical Ethics Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Killing In War Uehiro Series In Practical Ethics is one of the best book in our library for free trial. We provide copy of Killing In War Uehiro Series In Practical Ethics in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Killing In War Uehiro Series In Practical Ethics. Where to download Killing In War Uehiro Series In Practical Ethics online for free? Are you looking for Killing In War Uehiro Series In Practical Ethics PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Killing In War Uehiro Series In Practical Ethics. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Killing In War Uehiro Series In Practical Ethics are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Killing In War Uehiro Series In Practical Ethics. So depending on

what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Killing In War Uehiro Series In Practical Ethics To get started finding Killing In War Uehiro Series In Practical Ethics, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Killing In War Uehiro Series In Practical Ethics So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Killing In War Uehiro Series In Practical Ethics. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Killing In War Uehiro Series In Practical Ethics, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Killing In War Uehiro Series In Practical Ethics is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Killing In War Uehiro Series In Practical Ethics is universally compatible with any devices to read.
