Gone with the Wind

BY MARGARET MITCHELL

ONE WITH THE WIND has become the best known novel of the twentieth century. It has been read by an estimated 20,000,000 persons in the original as well as in twenty-six foreign language translations. But this wide popularity need delude no one into thinking that this is a frothy novel without real literary value. Actually, in the relatively few years since its publication (1936) this famous work has attained the stature of a classic in its own right. There is a full-bodied story here, woven with power, with skill, with deft handling of plot, and with characters who will live in the public mind and heart for generations.

J. Donald Adams, critic of the *New York Times*, called *GONE WITH THE WIND* "a superb piece of storytelling which nobody who finds pleasure in the art of fiction can afford to neglect."

Vincent Starrett of the *Chicago Tribune*, referred to it as "one of the great stories of our literature." He added: "I assume that nearly everybody has read *GONE WITH THE WIND*. Those who are still waiting to get around to it may safely take the plunge. In sheer readability, it is surpassed by nothing in American fiction. Possibly in point of narrative interest, it is one of the great stories of the world, a book to stand with, say, *The Three Musketeers*, which is honor enough for any novel."

Margaret Mitchell grew up in Atlanta in an atmosphere rich in Civil War lore. All her life she had heard stories of the War
