The chapter Risk based Proactive Process Adaptation is available open access under a CC BY 4.0 license via [link.springer.com](https://link.springer.com). *Transformational HRM Practices for Hong Kong* Anna P. Y. Tsui, Wilfred K. P. Wong, 2020-10-20 Focusing on the latest management trends *Transformational HRM Practices for Hong Kong* provides HR professionals with a comprehensive and accessible guide to human resource management in Hong Kong. Written by a leading team of HR professionals, psychologists, legal experts, and academics, the book provides up-to-date coverage of current practices, laws, and procedures as well as guidance on the professional skills required to operate successfully in the region. Suitable for practitioners and students alike, the book contains authentic case studies for local context and sets out the latest strategies for talent acquisition, assessment, performance, and reward. It provides essential coverage of organizational change management, recent technological advancements in the field, and outlines the development of Hong Kong's employment laws and their likely implications for professionals. In one volume, this book provides the key information, guidance, and context HR professionals require to be successful in Hong Kong's fast-changing business environment. This book is the product of the collective wisdom of a team of well-qualified and experienced contributors. It successfully integrates both theory and practice with a lot of real-life cases and examples. It provides a valuable and up-to-date tool to support teachers, students, and practitioners in the new HR era. Irene Chow, Professor and Head, Department of Management, Hang Seng University of Hong Kong. This is a timely and accessible collection on the HRM development in Hong Kong for business managers and aspiring HRM students. It explains succinctly the fundamental and drastic changes in the traditional HR sector in Hong Kong. Reading this book makes me realize how much HRM has been transformed since the internet era. Steven Lui, Associate Professor, School of Management, UNSW Business School, UNSW Sydney. Each chapter of this book marks a specific HR topic with comprehensive deliberations on the transformation. It integrates both empirical studies as well as discussions of evolving HR practices. A unique reference that helps readers apprehend the drastic challenges in HR management from traditional to digital. David Li, F.I.H.R.M. HK Director, Human Resources, New Beta Innovation Limited, President, Hong Kong Institute of Human Resource Management, HKIHRM 2014-2018. The role of human

resources management has been evolving over the years This book focuses on contemporary HR topics within the Hong Kong context It provides the reader with invaluable insights from seasoned practitioners consultants and well respected academics I would recommend this book to HR professionals line managers and aspiring HR students Margaret Cheng F I H R M HK Human Resources Director MTR Corporation Limited President Hong Kong Institute of Human Resource Management HKIHRM 2018 present Chairperson People Management Committee Hong Kong Management Association HKMA

*Simulations for Personnel Selection* Michael Fetzter, Kathy Tuzinski, 2013-08-13 This book provides a comprehensive and state of the art overview of simulation development technologies and implementation including real world examples and results followed by a preview of what s on the horizon that will further revolutionize the industry More than a handful of books have been written on the use of simulations for training purposes but this book focuses solely on simulations in employee selection contexts e g hiring promotion making it a truly unique and valuable resource for both practitioners and academics The science and practice of employee selection has advanced at a steady pace over the past two or three decades However recent advancements in both technology and assessment methods have been the catalyst for an evolutionary leap in the use of simulations in this area Recruiting, Interviewing, Selecting, and Orienting New Employees Diane Arthur, 2019-05-21 A genuine classic Recruiting Interviewing Selecting Orienting New Employees is a practical guide to the employment process Extensively revised it contains forms guidelines and ready to use interview questions as well as advice on reference checking interview methods documentation issues orientation programs and applicant testing From recruitment to orientation this updated and accessible guide covers it all Recruiting Interviewing Selecting Orienting New Employees has long been the go to reference on every aspect of the employment process Packed with forms checklists guidelines and ready to use interview questions the revised and updated edition provides readers with practical information on topics including interview methods documentation issues reference checking orientation programs and applicant testing This updated edition has been brought completely up to date addressing new legislation on FMLA immigration record keeping I 9 compliance and much more Full of insights on the latest staffing challenges this comprehensive guide explores changes in technology such as virtual interviews and recruitment web based orientations and the use of electronic files and social media Nothing is more important to the productivity of an organization than its hiring program Recruiting Interviewing Selecting Orienting New Employees provides readers with the tools they need to get employees on board and ready for long term success
