Budgeting for Local Governments and Communities Douglas Morgan, Kent S. Robinson, Dennis Strachota, James A. Hough, 2017-09-19 Budgeting for Local Governments and Communities is designed as the primary textbook for a quarter or semester long course in public budgeting and finance in an MPA programme Many currently available texts for this course suffer from a combination of defects that include a focus on federal and state budgeting a lack of a theoretical governance framework an omission of important topics and typically a lack of exercises and datasets for student use Budgeting for Local Governments and Communities solves all of these problems The book is exceptionally comprehensive and well written and represents the efforts of veteran authors with both teaching and real world experience

Key Features Special Focus on Local Government Budgeting focuses exclusively on budgeting at the local levels of American government which are responsible for spending 40 percent of the taxes collected from citizens Integration of Theory and Practice teaching cases and chapters capture the lessons learned by professional practitioners who have extensive experience in making local public budgeting work on the ground Policy Approach to Local Budgeting presents an introduction to local budgeting as the central political activity that integrates the resources of the community into a unified whole Budgeting is presented as governance work rather than as a unique set of skills possessed by analysts and financial specialists Legal Historical Economic and Moral Foundations of Local Government Budgeting provides readers with an understanding of how the structures and processes of local budgeting systems are firmly tethered to the underlying core

values legal principles and historical development of the larger American federal state and local political systems Electronic Datasets and Budgeting Exercises the text includes access to extensive electronic datasets and practice exercises that provide abundant opportunities for students to learn through doing Extensive Glossary and Bibliography covers terms on the history and practice of local public budgeting Bowker's Law Books and Serials in Print ,1998 **Government Contract Guidebook** Steven Feldman,2013-10-04 **Privacy@work** Frank Hendrickx,Elena Gramano,David Mangan,2023-06-12 The right to privacy is a fundamental right Along with the related right to personal data protection it has come to take a central place in contemporary employment relations and shows significant relevance for the future of work This thoroughly researched volume which offers insightful essays by leading European academics and policymakers in labour and employment law is the first to present a thoroughly up to date Europe wide survey and analysis of the intensive and growing interaction of workplace relations systems with developments in privacy law With abundant reference to the EU s General Data Protection Regulation the case law of the European Court of Human Rights and the work of the International Labour Organisation the book proceeds as a series of country chapters each by a recognised expert in a specific jurisdiction Legal comparison is based on a questionnaire circulated to the contributors in advance Each country chapter addresses the national legal weight of such issues and topics as the following interaction of privacy and data protection law legitimacy purpose limitation and data minimisation transparency role of consent artificial intelligence and automated decision making health related data including biometrics and psychological testing monitoring and surveillance and use of social media A detailed introductory overview begins the volume The research for this book is based on a dynamic methodology founded in scientific desk research and expert networking Recognising that the need for further guidance for privacy at work has been demonstrated by various European and international bodies this book delivers a signal contribution to the field for social partners practitioners policymakers scholars and all other stakeholders working at the crossroads of privacy data protection and labour law Geoscience for the Public Good and Global Development Gregory R.
