

Chapter 1 Discussion Questions

These discussion questions are all designed for students who have already completed the questions for close reading. Alternatively, if your students are strong readers, you could try doing these discussions without spending time on the questions in class. No matter which option you choose, make sure to reread key passages whenever possible. Students should always be encouraged to answer questions based on the text rather than their memories.

Who is Nick?

Chapter One's discussion is all about Nick—who he is and what his biases are. In this novel, Fitzgerald has created (in my opinion) one of the greatest unreliable narrators of all time. While it's easy to focus on the more glamorous characters of the book, the real main character is the guy telling the story. One quick tip for discussions: I keep track of participation and grade students for participating in class. This little incentive is often enough to push more reluctant kids to speak up; however, I don't make it such a big part of their grade that extreme introverts are hurt that much.

1. What do we know about Nick's past?

Students should note that Nick is upper class, comes from a wealthy family, and felt that he was privileged growing up; he fought in WWI, his family is all in the midwest, and he has come East to make money selling bonds; he has often learned the secrets of strangers, and he gained a reputation for being a politician. When he mentions at the end of the chapter that he was supposed to get married, this shows just how acutely Nick feels pressure from the opinions of others as well as how he resists those expectations.

2. How do the other characters make Nick feel?

In short, Nick feels inferior a lot of the time. He feels like there others are looking down on him, like he doesn't have as much money or physical power or as many interesting things to say. He often portrays these feelings by describing other people as acting superior—the word “supercilious” probably comes up more in this novel than in any other book I've ever read. However, upon closer reading, it's mostly Nick who feels inferior.

3. What is your first impression of Nick? What are his issues or secrets or hangups?

Students' answers will vary; keep the discussion going until you have heard a few different answers. The big ideas that I want them to understand from this discussion is that Nick isn't always what he seems, that he is an unreliable narrator, and that he has insecurities and biases that are subtly revealed in the narrative. At this point, students might say that they like him,

The Censor's Hand Carl E. Schneider, 2015-04-10 An argument that the system of boards that license human subject research is so fundamentally misconceived that it inevitably does more harm than good Medical and social progress depend on research with human subjects When that research is done in institutions getting federal money it is regulated often minutely by federally required and supervised bureaucracies called institutional review boards IRBs Do can these IRBs do more harm than good In The Censor's Hand Schneider addresses this crucial but long unasked question Schneider answers the question by consulting a critical but ignored experience the law's learning about regulation and by amassing empirical evidence that is scattered around many literatures He concludes that IRBs were fundamentally misconceived Their usefulness to human subjects is doubtful but they clearly delay distort and deter research that can save people's lives soothe their suffering and enhance their welfare IRBs demonstrably make decisions poorly They cannot be expected to make decisions well for they lack the expertise ethical principles legal rules effective procedures and accountability essential to good regulation And IRBs are censors in the place censorship is most damaging universities In sum Schneider argues that IRBs are bad regulation that inescapably do more harm than good They were an irreparable

mistake that should be abandoned so that research can be conducted properly and regulated sensibly *All That's True* Jackie Lee Miles, 2011-01-01 My life was close to being perfect until my brother Alex got killed Then my mother started drinking and my father started having sex with Donna my best friend s stepmother She s not even thirty years old With an equal mix of joy and sorrow All That s True follows Andi s poignant and sometimes laugh out loud journey to young adulthood where she struggles with the elusive nature of truth and the devastating consequences of deception Jackie Lee Miles is a wise and perceptive writer with a keen understanding of human frailties Julie Cannon author of Truelove and Homegrown Tomatoes Perfect in voice and detail chock full of girl talk and seat of the pants crises Miles book is a winner Rosemary Daniell award winning author of Secrets of the Zona Rosa How Writing and Sisterhood Can Change Women s Lives Miles is a fascinating new voice in Southern fiction Readers will rejoice Karin Gillespie author of Bet Your Bottom Dollar For those of us looking for relationships that feel authentic you will find them in this novel Edward Mooney Jr author of The Pearls of the Stone Man Philip Allan Literature Guide for A-Level: The Great Gatsby Anne Crow, 2010-07-30 Written by experienced A level examiners and teachers who know exactly what students need to succeed and edited by a chief examiner Philip Allan Literature Guides for A level are invaluable study companions with exam specific advice to help you to get the grade you need This guide includes detailed scene summaries and sections on themes characters form structure language and contexts a dedicated Working with the text section on how to write about texts for coursework and controlled assessment and how to revise for exams Taking it further boxes on related books film adaptations and websites Pause for thought boxes to get you thinking more widely about the text Task boxes to test yourself on transformation analysis research and comparison activities and Top 10 quotes **Thinking about Literature** Robert McMahon, 2002 Details a different system for teaching classic and contemporary literature in high school that is designed to keep students interested in what they are learning and understand the material **McGraw-Hill's 500 U.S. History Questions, Volume 2: 1865 to Present: Ace Your College Exams** Stephanie Muntone, 2012-08-23 v 1 Colonial to 1865 v 2 1865 to present **Adventures in Literature Circles** Christina Baxter, 2008 **Fundamentals of Assessment** Kah Loong Chue, Amelia Yeo, Kelvin Heng Kiat Tan, Tay Hui Yong, 2025-11-24 Offering a valuable introduction to those beginning their journey into educational assessment this book provides both teachers and students insights into the challenging world of designing implementing and interpreting classroom assessments School based assessments are essential in planning for quality teaching and learning but getting assessments right can be a challenging task for teachers especially those who are new to the profession It is exacerbated by the fact that because learners often experience assessment last in the lesson cycle it is also the last consideration in teachers minds This text is divided into four sections a Foundations of Assessment b Assessment Design and Development c Approaches to Formative Assessment and d Sustainable Assessment for the Future By the end of the book readers will have a solid understanding of classroom assessment practices and be equipped to design and implement assessments that support

Kern, 2011-11-30. A veteran hockey writer takes on hockey culture and the NHL, addressing the game's most controversial issue: Whether it's on-ice fist fights or head shots into the glass, hockey has become a nightly news spectacle with players pummeling and bashing each other across the ice like drunken gladiators. And while the NHL may actually condone on-ice violence as a ticket draw, die-hard hockey fan and expert Adam Proteau argues against hockey's transformation into a thuggish blood sport. In *Fighting the Good Fight*, Proteau sheds light on the many perspectives of those in and around the game with interviews of current and former NHL stars, coaches, general managers, and league executives, as well as medical experts. One of the most well-known media figures on the hockey scene today, famous for his funny, feisty observations as a writer for the *Toronto Star* and *The Hockey News* and commentator on CBC radio and TV, Adam Proteau is also one of the few mainstream media voices who is vehemently anti-fighting in hockey. Not only is his book a plea to the game's gatekeepers to finally clamp down on the runaway violence that permeates the sport even at its highest level, he offers realistic suggestions on ways to finally clean the game up. Includes interviews with medical experts on head injuries and concussions, as well as with other members of the media. The author not only wages an attack on the value of fighting in hockey but also on the establishment hockey culture. Covering the most polarizing issue in hockey today, *Fighting the Good Fight* gives hockey fans and sports lovers everywhere a reason to stamp their feet and whistle at a rare display of eloquence and common sense.
