Teachable Moments James V. Colubiale, 2023-10-12 While preparing his classroom for his first day as a teacher, Jason discovered his deceased predecessor's 180-day digital lesson plan journal on a computer file entitled *A Classroom Compendium to Whimsy and Delirium*. Out of sheer curiosity, he began to read from the log and quickly realized that he was learning more about teaching from this journal than from any college education class he ever took.

developments in creative writing studies and perceived barriers to teaching the subject in secondary education schools this
book creates conversations between secondary and post secondary teachers aimed at introducing and improving creative
writing instruction in teaching curricula for young people Challenging assumptions and lore regarding the teaching of
creative writing this book examines new and engaging techniques for infusing creative writing into all types of language arts
instruction offering inclusive and pedagogically sound alternatives that consider the needs of a diverse range of students
With careful attention given to creative writing within current standards based educational systems Imaginative Teaching
through Creative Writing confronts and offers solutions to the perceived difficulty of teaching the subject in such
environments Divided into two sections section one sees post secondary instructors address pedagogical techniques and
concerns such as workshop revision and assessment before section two explores hands on activities and practical approaches
