## analysis of leitmotif of American Dream or American Nightmare

The American Dream is a concept that has been around since the early days of the United States. It is the idea that anyone can achieve success and wealth through hard work and determination. This dream has been a powerful force in American history, inspiring people to pursue their goals and dreams. However, the American Dream has also been criticized for being unrealistic and unattainable for many people. This is because the dream is based on the idea of individualism, which is not always realistic in a society where success often depends on family connections and social status.

In the novel 'The Great Gatsby', the American Dream is a central theme. The story follows Jay Gatsby, a wealthy man who has made his fortune through illegal means. He is obsessed with the idea of winning back his lost love, Daisy Buchanan, who is married to Tom Buchanan. Gatsby's dream is to become wealthy enough to win Daisy's love, but he is ultimately disappointed when she chooses Tom over him.

The novel shows how the American Dream can be a cruel and deceptive illusion. Gatsby's dream is based on the idea of individualism, but he is ultimately defeated by the social and economic forces that control his life. The novel is a critique of the American Dream, showing how it can be a source of disappointment and despair for many people.

The American Dream is a complex and controversial concept. It is a dream that has inspired many people to pursue their goals and dreams, but it has also been criticized for being unrealistic and unattainable. The novel 'The Great Gatsby' is a powerful critique of the American Dream, showing how it can be a source of disappointment and despair for many people.

## NOVEL

1. relationship between Nick and Jordan more thematised

2. the lack of acceptance of the upper class, towards Gatsby, becomes clearer

3. more details and insights into motivations, actions and thoughts of the individual characters

4. more details and insights into the social and economic forces that control the characters' lives

## MOVIE

1. no mention of the relationship, Jordan is only portrayed as a minor character

2. everyone just love his parties, only at the end it is shown that no one shows up for his funeral

3. very action-driven and slightly superficial

4. this is not a critique of the American Dream
