Suzor, 2019-07-18

Rampant abuse hate speech censorship bias and disinformation our Internet has problems It is governed by technology companies search engines social media platforms and infrastructure providers whose hidden rules influence what we are allowed to see and say In *Lawless* Nicolas P. Suzor presents gripping examples of exactly how tech companies govern our digital environment and how they bend to pressure from governments and other powerful actors to censor and control the flow of information online We are at a constitutional moment an opportunity to rethink the basic rules of how the Internet is governed Suzor offers a vision of a vibrant diverse and flourishing internet that can protect our fundamental rights from the lawless rule of tech The culmination of more than ten years of original research this groundbreaking work should be read by anyone who cares about the internet and the future of our shared social spaces *Great from the Start* John B. Montgomery, 2012-03-01

The founder of the technology incubator Startworks provides a useful all in one blueprint to cover all aspects of putting together a successful company Young Upstarts Are you wondering how to turn your great new business idea into a successful company Here's the roadmap In *Great from the Start* John Montgomery combines three decades of experience as one of America's preeminent corporate lawyers with the wisdom of a wide range of startup industry veterans to offer the business secrets of Silicon Valley as an essential blueprint for any entrepreneur wishing to start a successful company From raising venture capital to building a balanced team from designing your culture to managing a board of directors this book will help you experience the joy of building a successful company Finally if you are a leader who aspires to operate from the heart believes in abundance and plays power with instead of power over *Great from the Start* suggests how you can leverage neuroscience and the science of consciousness to inspire and lead your corporation so that it is optimized for the people that work there I have always struggled to communicate the multiple other relevant priorities and the other intangibles required for a great execution I found many of these in a new book *Great from the Start* by John B. Montgomery which does a great job of laying out specifics but also starts with a good summary of the intangibles summarized as the five rules of relevancy Martin Zwilling Forbes A high impact book Raj Sisodia coauthor *Firms of Endearment* and *Conscious Capitalism* and founder *Conscious Capitalism Institute* *Global Capitalist Crisis and the Second Great Depression* Armando Navarro, 2012-01-01

In this comprehensive work Armando Navarro delivers a timely analysis of the global capitalist crisis that has arisen in the United States Navarro offers a wide ranging political historical analysis of events that led up to the

present co called Second Great Depression Starting with the end of World War II he tracks the various political and economic decisions that have led to the emergence of the global economic crisis that began in 2006 He provides context for the current economic situation by discussing the major economic and political events including the Great Depression the New Deal the rise of neo liberal capitalism and the collapse of the subprime mortgage industry Navarro incisively reviews and critiques the Obama administration and Democrats quasi welfare capitalist legislation Driven by social democratic models he constructs a transformative social movement paradigm that calls for the rise of reform and proposes dramatic systemic change Navarro concludes by looking at the U S political culture what he contends is the major obstacle to the rise of socialism in the United States and speculates about the potentially bleak economic future to come The Biggest Joke Book Ever Jack
