The Nation ,1875

Instructor ,1961

The Middle-Class City John Henry Hepp, IV, 2018-06-29 The classic historical interpretation of the late nineteenth and early twentieth centuries in America sees this period as a political search for order by the middle class culminating in Progressive Era reforms In *The Middle Class City* John Hepp examines transformations in everyday middle class life in

Philadelphia between 1876 and 1926 to discover the cultural roots of this search for order By looking at complex relationships among members of that city's middle class and three largely bourgeois commercial institutions newspapers department stores and railroads Hepp finds that the men and women of the middle class consistently reordered their world along rational lines According to Hepp this period was rife with evidence of creative reorganization that served to mold middle class life The department store was more than just an expanded dry goods emporium it was a middle class haven of order in the heart of a frenetic city an entirely new way of organizing merchandise for sale Redesigned newspapers brought well ordered news and entertainment to middle class homes and also carried retail advertisements to entice consumers downtown via train and streetcar The complex interiors of urban railroad stations reflected a rationalization of space and rail schedules embodied the modernized specialization of standard time In his fascinating investigation of similar patterns of behavior among commercial institutions Hepp exposes an important intersection between the histories of the city and the middle class In his careful reconstruction of this now vanished culture Hepp examines a wide variety of sources including diaries and memoirs left by middle class women and men of the region Following Philadelphians as they rode trains and trolleys read newspapers and shopped at department stores he uses their accounts as individualized guidebooks to middle class life in the metropolis And through a creative use of photographs floor plans maps and material culture *The Middle Class City* helps to reconstruct the physical settings of these enterprises and recreate everyday middle class life shedding new light on an underanalyzed historical group and the cultural history of twentieth century America

The Saturday Review of Politics, Literature, Science and Art, 1862 Science and Civilisation in China, Part 6, Medicine Joseph

Needham, 2000-04-13 The latest volume in Joseph Needham's magisterial review of China's premodern scientific and technological traditions introduces the history of medicine Following the deaths of Joseph Needham and Lu Gwei Djen a considerable amount of written material on the development of Chinese medicine awaited publication This material has been gathered together by the editor Nathan Sivin in the five essays contained in this volume They offer a broad and readable account of medicine in culture including hygiene and preventive medicine forensic medicine and immunology and the examinations taken by some Chinese physicians for more than a thousand years Professor Sivin has edited the essays expanding them where appropriate and incorporating the results of recent research His extensive introduction discusses the contributions of Needham and Lu placing the essays in context and surveys recent scholarship from China Japan Europe and the United States A Critical History of Health, Sport, and Physical Education Michelle Gorzanelli, Jorge

Knijnik, 2025-07-01 This book fills a gap in literature by generating a combined history of Physical Education PE School Sport SS and Health Education HE in New South Wales NSW public schools from 1880 to 2024 It includes broad discussions on how political issues such as the World Wars influenced i the PE curriculum which was used as a medium to prepare a fit army ii the school sport system which acted as an expression of national strength via showcasing sporting prowess on the

international stages of the Olympic Games and iii the health education curriculum which addressed infectious diseases resulting from poor hygiene associated with poverty The book also adopts a socio cultural perspective to the constructs of PE SS and HE curricula and highlights significant local national and international historical events and issues as factors driving curriculum developments and paradigm shifts in these subjects in the NSW public education and beyond It brings new and engendering socio historical findings to the discipline fields of PE SS and HE combined with an innovative methodology in critical historiographical studies *Dictionary Catalog of the History of the Americas* New York Public Library. Reference Department,1961 **Resources in Education** ,1997 **Making Imperial Mentalities** J. Mangan,2012-05-04 This book discusses the way in which those born into the British empire were persuaded to accept it often with enthusiasm The study compares the perceptions of people at home in the dominions and in the colonies Across the diversity of imperial territories it explores themes such as the diverse nature of political socialisation the various agents and agencies of persuasion reaction to the experience of dominance by dominant and dominated the paradoxical impact of the missionary and the subversive role of some women It also considers the significant issues of colonial adaptation resistance and rejection and the post imperial consequences of imperialism **Subject Guide to Books in Print** ,1993 *Dictionary Catalog of the History of the Americas* New York Public Library. Reference Dept,1961 *Social Sciences and Humanities Index* ,1916 “The” *Athenaeum* ,1871
