Google Sketchup 5 Teaching Manual:

Teacher's Manual John Spencer Clark, 1898 **Teachers' Manual of Free-hand Drawing and Designing** Walter Smith, 1873 *Irving's Sketch Book* Washington Irving, 1901 Research in Education ,1974 The American Bookseller ,1879 **The United States Catalog** ,1904 **Art and Industry** United States. Office of Education, 1892 Senate documents ,1891 Teaching Green - The High School Years Tim Grant, Gail Littlejohn, 2013-09-23 This resource is ideal for anyone working with young people in grades 9-12 whether in schools or in non formal educational settings. Richly illustrated it offers fifty teaching strategies that promote learning about natural systems and foster critical thinking about environmental issues both local and global. It contains new approaches to learning strategies for living sustainably and numerous activities that promote interdisciplinary learning. In addition the book provides suggestions for how best to green individual subject areas, develop integrated learning programs or replicate exemplary programs created by innovative schools and communities. Containing contributions from over sixty educators from across North America the book's strength lies in its diverse content. Readers learn how best to apply systems thinking, teach about controversial issues and use a step by step approach to creative problem solving in environmental projects. Also provided are instructions for measuring the ecological footprint of a high school, creating an indoor living system that cleans water, monitoring air quality with lichens and using green technologies to help green school campuses. Many articles and activities engage teenagers in outdoor learning and community restoration projects. Suggestions are included for connecting students with special needs to the environment around them. Readers will find accessible background information and suggestions for many practical projects and activities. It is sure to appeal to a wide range of teachers, educators and parents seeking innovative ideas for incorporating green themes into their programs. Tim Grant and Gail Littlejohn are the editors of Green Teacher magazine, North America's award winning environmental teaching resource.
