THEMES

Dawn of the Nuclear Age

August 6, 1945, marked the dawn of nuclear warfare, when the United States dropped a five-ton atomic bomb on Hiroshima, Japan. The stories of the city's survivors illustrate the human suffering wrought by the weapon that ended World War II.

War

The stories of six survivors raise questions about the ethics of war.

Resolve

Survivors resolve to move forward despite overwhelming suffering.

Human Compassion

Tragic events bring out both the best and worst of human nature.

Author

JOHN HERSEY
1914–93

Hersey drew on his expertise as a wartime journalist to create a moving narrative of the Hiroshima bombing. Employing the style of New Journalism for which he was known, Hersey borrowed techniques from fiction to frame facts gathered through interviews, observation, and research.

Hiroshima by the Numbers

~15,000

Tons of TNT equivalent to the nuclear bomb dropped on Hiroshima

9

Days between the bombing of Hiroshima and Japan's surrender

~10,000

Victims seeking help after the bombing at the Red Cross Hospital, which had only 600 beds

~135,000

People estimated to have died in the bombing of Hiroshima

Key Terms

Atomic Bomb

Explosive device powered through the splitting of atoms

Keloid Tumors

Overgrowth of scar tissue that forms over radiation burns

Radiation Sickness

Often-fatal illness resulting from major radiation exposure

He wondered how such extensive damage could have been dealt out of a silent sky.

SCM Studyguide: Christian Mission Stephen Spencer, 2014-04-15 Explores the nature of Christian mission in contemporary post modern society This book examines the main historic types of mission in the Christian tradition seeing how they were forged in the cross currents of history and how they continue to be expressed by different Christian communities

SCM Studyguide: Philosophy and the Christian Faith Ben Pugh, 2018-12-04 The challenges that Western culture keeps posing to the Christian faith are ever new The goal posts keep changing This study guide will equip theology students to understand the culture shaping beliefs that are driving the kinds of questions it brings to faith It will be an historical overview of the key stages in the history of Western philosophy with each section carefully tracing the genealogical line of ideas and the Christian responses to them right up to the present day For most theology students learning abstract philosophical concepts involves literally learning a new language a language that the initiated converse in with ease but which leaves the uninitiated baffled Thus each chapter in this study guide opens with a glossary of terms Throughout the studyguide students are encouraged to reflect on the ways in which what has been learned might be applied in both explicitly theological and wider cultural contexts for example they might be asked to think of a film or book that seems to express elements of existentialism or postmodernism or to describe how something very like the extreme subjectivity of idealism can sometimes show itself in Sunday morning worship

[SCM Studyguide Church History](#) Stephen Spencer, 2013-08-30 An introduction to the study of the ways the church has evolved in its corporate life since its birth in the first century Special attention is given to studying its changing relationship and interaction with the surrounding societies in which it has existed The intended readership will be those training for ministry in English speaking churches so the studyguide will concentrate on those aspects of this subject of most relevance to this group This means there will be greater attention to developments in the West than in the East especially in later centuries

and to topics such as the nature of ministry the sacraments places of worship authority in the church and mission These will be examined at each period of church history in each chapter to provide reference points of comparison throughout the book Each chapter will also contain a specific case study presenting extracts of some key documents with notes commentary and questions for discussion to allow readers to develop skills in historical research General discussion questions and reading lists will be provided at the end of each chapter The final chapter will provide guidance for the study of the history of the student s own church and community
