

*The Great Depression & The New Deal (pages 539-563):***Exam Questions:**

In 1932, at the low point of the Great Depression, Americans elected New York Governor Franklin Delano Roosevelt to the presidency in the hopes that he would give them a "new deal." Between 1933 and 1937, Roosevelt pushed a staggering number of programs through Congress that fundamentally altered the relationship of the federal government to the American people and American business. Using examples from the readings and lectures, explain how the New Deal altered the relationship between the government and the American people / business. What new roles did the government take on under the New Deal? Why?
