Williams,2006-01-16 Those who do not know history are doomed to repeat it Using the historical record of fascist regimes Eric D Williams draws hauntingly similar characteristics used by former fascist regimes currently unfolding in the United States Williams establishes eight undisputable points arising from the current administration and offers valid points to stop the slide towards fascism by taking back America by the people for the people *Shadow World* Robert Chandler,2008-08-26 America is at war and the stakes are huge The fight isn't just in Iraq and Afghanistan it's a global contest between the United States radical Islam a resurgent Russia and a virulent New Left coming to power in Latin America and stalking the corridors of power around the world These three enemies of America are separate but still cooperate and in his stunning new book Shadow World Robert Chandler shows how *If It Takes a Thousand Years* Jesse Petrilla,2024-09-30 During an interrogation in Afghanistan when asked how long the jihadists intended to fight a Taliban commander uttered the words If it takes a thousand years This chilling statement illustrates both how terrorists of this level operate and the generational approach they take when it comes to bringing destruction to the world The West is facing a determined enemy with a fundamentally different world view Author and former Army Captain Jesse Petrilla provides unique insight into the jihadist mind featuring interviews with Taliban and Al Qaeda members just after their capture interviews with international journalists and professors warnings from European politicians as well as experiences from travels throughout the Islamic world If It Takes a Thousand Years delves into the policies which have enabled our enemies both at home and abroad providing positive solutions as to how America and the West can confront this threat and protect their way of life **Islam's Mandate: A Tribute to Jihad** Mr. Pat,2010-09-27 This work is based on the religion of Islam and the fundamental Muslims who live by Islamic Sharia law and associate themselves with Sunni Islam or the Shi a philosophy of the 6th imam Islam's Mandate separates 80 % of the Muslim ummah family who live in Third World countries who cannot read or write from the radical world of Islam as well as others who continue to associate themselves with the Muslim family but have strayed from the teachings of Muhammad and are less than Islam's Muslim in their way of life In the book the author deals with 1500 year old beliefs of the fundamentalist Islam's true Muslim The questions asked and answered are what is the true nature of Islam and who are the real Islam Muslims in the mosques who stay hidden behind closed doors Those who must defend against radical Islam must take time to understand the Jihadist It is time America pulls its head out of Muslim sand that is soaked with blood from 1500 years of Islamic aggression and deals with the reality of what was once an oppressed tribal cult in the Arabian Desert but is now a

dominating brutal and repressive theocracy spreading to every corner of this planet Surrender Bruce Bawer,2009-05-19

WITH A NEW AFTERWORD In his controversial and critically acclaimed *While Europe Slept* Bruce Bawer outlined the danger that Islamic immigration posed to traditional European values In this provocative follow up he takes up the West's recent trend of silence and appeasement in the face of cultural intimidation by radical Islam From an examination of coverage of the shocking murder of Dutch filmmaker Theo Van Gogh to the widespread denunciation of the Danish editors who published editorial cartoons mocking Mohammed Bawer shows how radical Islam has cowed Western media politicians intellectuals and religious leaders into believing that we must give up the right of free expression to peacefully coexist with the Muslim world Fearless and excoriating *Surrender* is an unapologetic and uncompromising defense of free speech that will stir conservatives and liberals alike *Christians Under Siege* Patrick J. Roelle Sr.,2009-10-16

Christians Under Siege is a comprehensive study of the war on Christian values that started in the Arabian Desert and which now reaches into America's schools and workplace Barrack Hussein Obama declared that the United States is not a Christian Nation Historian Patrick Roelle disagrees To deal with Islam's terrorist we must understand Islam's Terrorist Islam rose out of the Arabia Desert because the strong oppressed the weak The world of Islam is not just a religion it's a form of government We are at a crossroads Some wish to cancel God from the equation enslave us to a future of debt we cannot repay place our energy dependence on the Muslim world while we lock our resources in the ground and transfer our wealth in exchange for government subsidies that will keep us subdued and we are falling for it Joseph Goebbels propaganda expert and Reich Minister of Public Enlightenment and Education for Nazi Germany once said If you tell a lie big enough and keep repeating it people will eventually come to believe it The American Muslim community has successfully employed these methods these past fifty years to indoctrinate our elected officials and the mainstream press in this country *Christians Under Siege* paints the true picture *Walking the Plank: To a Dhimmi Nation* Mary Christina Love,2010-01-12

Walking the Plank To a Dhimmi Nation reveals how America has been systematically submitting to Islam for decades as American businessmen and politicians endorse Islamic causes in exchange for oil money and power Mary Christina Love describes Islam as a Russian Doll with each victory leading to a larger victory She shows how Islam is exerting increasing influence on America through immigration oil economics cultural exchange education political correctness financial contributions and the threat of terror with 9/11 instrumental in enabling Islamic expansion in the United States by destroying evidence of who the world's real imperialists are and affording Muslims an affront to feel aggrieved and demand special protection status Cohorts in what could result in the largest coup d'état ever Globalists and Islamists are allies that use a potpourri of tactics to eliminate Capitalism and Democracy to create a one world government The global warming theory the recent financial crisis the bailout cap and trade and the health care plan will establish a framework that if successful will ultimately drive America into generations of dhimmitude Mary Christina Love describes dhimmitude a pacifist reaction to aggression as submission to

Islamic demands resulting from cowardice vulnerability bribery and extortion A dhimmi is a non Muslim entity that accepts the conditions of Islamic law and remains safe by surrendering to Islamic terms She provides current and historical examples such as the Barbary Wars to show how America is submitting to Islam through concession and appeasement under coercion and constant fear of reprisal **From Crayons to Condoms** Steve Baldwin, Karen Holgate, 2008 Lavishly armed with your tax dollars governments at every level are funding mass social experimentation on American kids success optional
