History of the Welsh Guards Charles Humble Dudley Ward, 1920 **History of the Welsh Guards (Classic Reprint)**
C. H. Dudley Ward, 2015-07-11 Excerpt from *History of the Welsh Guards* It is the lot of few regiments as it is of few great men or women to have the story of their birth and early years written by a contemporary hand We all know how difficult it is to prove events even within our own times and therefore the nearer we get to them the more unlikely it is that they recede into the realm of fiction The Welsh Guards have this advantage and seeing that their inception took place during a great war it is all the more important that their advent should be set down clearly and by one who was present I had the advantage of being present and assisting at the birth and no one can be better qualified than Major C H Dudley Ward D S O M C to carry on the story with its bapteme de feu and glorious exploits in the subsequent years of war It had been the unanimous wish of the Welsh people than whom none are more noted for their loyalty to the Crown that the Principality should take its place among the nations of the British Isles in finding a regiment to assist in guarding the Throne King George V gave expression to this sentiment and to his own wishes on February 6th 1915 by commanding Field Marshal Earl Kitchener K G then Secretary of State for War to put His Majesty's orders into execution Accordingly as I was commanding the London District I was sent for by the Field Marshal and ordered to raise a battalion immediately On my asking Lord Kitchener how soon he expected this to be done he replied in his usual abrupt manner In a week My answer was They shall go on guard on St David's Day and they Did About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works [The United States Catalog: Books in Print January 1, 1912](#) Marion Effie Potter, 1921 **The Great Mistake** Peter Beale, 2004-08-19 On 4 September 1944 the British 11th Armoured Division entered Antwerp capturing the docks intact Basing his account on official war diaries unit histories and personal recollections Peter Beale examines the background considers the actions taken and forgone between 4 and 26 September and reviews their effects on subsequent operations **Letters from Wales** Sam Adams, 2023-04-07 *Letters from Wales* stands alone as an invaluable guide to Welsh writing Sam Young Wales Arts Review In these columns as impressive for their depth as they are for their intellectual breadth Adams analyses the work of acclaimed Welsh writers with scholarly panache Joshua Rees Buzz Magazine illuminating and entertaining Jon Gower Nation Cymru Since 1996 Sam Adams's Letter from Wales column has been appearing in PN Review one of the most highly regarded UK poetry magazines offering insight and appreciation of Welsh writing culture and history This landmark volume collects these letters a quarter century of work and

The Long War David Loyn,2025-09-23 Just as U S soldiers and diplomats pulled out of Afghanistan supposedly concluding their role and responsibility in the two decade conflict the country fell to the Taliban In *The Long War* award winning BBC foreign correspondent David Loyn uncovers the political and military strategies and failures that prolonged America s longest war Three American presidents tried to defeat the Taliban sending 150 000 international troops at the war s peak with a trillion dollar price tag But early policy mistakes that allowed Osama bin Laden to escape made the task far more difficult Deceived by easy victories they backed ruthless corrupt local allies and misspent aid The story of *The Long War* is told by the generals who led it through the hardest years of combat as surges of international troops tried to turn the tide Generals which include David Petraeus Stanley McChrystal Joe Dunford and John Allen were tested in battle as never before With the reputation of a warrior monk McChrystal was considered one of the most gifted military leaders of his generation He was one of two generals to be fired in this most public of commands Holding together the coalition of countries who joined America s fight in Afghanistan was just one part of the multi dimensional puzzle faced by the generals as they fought an elusive and determined enemy while responsible for thousands of young American and allied lives *The Long War* goes behind the scenes of their command and of the Afghan government The fourth president to take on the war Joe Biden ordered troops to withdraw in 2021 twenty years after 9 11 just as the Taliban achieved victory leaving behind an unstable nation and an unforeseeable future
