Read the manual carefully to learn how to use each tool and service your machine correctly. Failure to do so could result in personal injury or machine damage.

This manual should be considered a normal part of your machine and should remain with the machine when you sell it.

The machine is of course single channel, and its outputs are noisy. The only more powerful and more accurate

Reproduction and distribution of this work are prohibited by law in the Republic of Turkey.

When product identification numbers in the clearing numbers section, document record at the bottom is not in the clearing number, it is the same. You have the same clearing number when you enter your ID file number in the clearing number section of the clearing number. The clearing number is the same as the clearing number.

Warning is provided as part of the firm's expert report to be included into court and subject for approval as evidence in the lawsuit. The warning is included in the expert's certificate and is signed by the expert and the firm.

The warranty provides you the assurance that there will be no defects within certain limits after using the warranty period. It gives instructions, terms and provides full responsibility. You should check to the customer, even if the product is not of warranty. Should the equipment be abused, or needed to change its performance beyond the original factory specifications, the warranty will become void and great help: repairs may be denied. Using the "warranty" does not mean that the equipment is not of quality or otherwise comprising customer satisfaction and service.

Only qualified, experienced operators, strictly trained according to local law, should be allowed to operate the machine. Moreover, only strictly trained personnel should be allowed to inspect, service the machine.

All information, figures and specifications in this manual are based on the latest product information available at the time of publication. This will be corrected to cover changes as they come to light.
