Golf Course Policy And Procedure Manual:

Is It Routine? John S. Ortmann, 2017-03-17 John Stanley Ortmann was having a routine day when he got the call A mountain lion that had killed a sheep had possibly been shot and was hiding out in a brushy area near a busy road Armed with catch poles a syringe with a euthanasia drug and carrying a 40 caliber semiautomatic pistol he located the mountain lion but had to crawl into the brush to catch him That's when the mountain lion surged into an opening in the brush forcing Ortmann to his back He had just enough time to draw his pistol and fire two shots The mountain lion landed on top of him dead Ortmann shares that story and many more in this memoir highlighting his adventures and challenges with the Army Military Police as a city policeman and detective and as a game warden From the early 1960s well into the twenty first century he describes the training he received as well as the evolution of law enforcement equipment He also makes the case that no matter how routine a situation may seem it can turn out differently and you always have to be on your guard *Golf Club Operations* Metropolitan Golf Association, 1961 **Resources in Education**, 1999 *Cincinnati Magazine*, 1997-06 Cincinnati Magazine taps into the DNA of the city exploring shopping dining living and culture and giving readers a ringside seat on the issues shaping the region *Golf Course Management & Construction* James C.
