is, making sure if the world does its best for the environment, we'll have a better go. But ultimately, you, the citizen, are the key. You've got a responsibility to do what you can, to do what you can do right now, and we're going to make sure that you can.

Blackfly's menu bar is stretched onto the menu supports, such as File, Edit, Window, and Help. Blackfly's View menu is a little different from the ones in most programs (Figure 1.4). The View menu has access to the Blackfly window that provides those windows, including things like drawing grids, are there, measurement methods, and even different toolbars. If you're looking for tools that change your view of the drawing window, such as a View or New tool, look under the Window menu.
