Pilosity, Prejudice, and Passion in The Tale of Old Bearded Achbor by Yaakov ben El'azar of Toledo Tovi Bibring, 2025-05-22 In *Pilosity Prejudice and Passion in The Tale of Old Bearded Achbor by Yaakov ben El'azar of Toledo* Tovi Bibring argues that behind the restless parody and the sour tone of the tale lies a fierce discourse of hate toward the Other incarnated as a black woman as well as an insistent alarm regarding the threat of assimilation Following an enticing fully annotated translation of an overwhelming medieval Hebrew composition featuring a pathetic sermon a hedonist feast a love liaison violent shaming and murder Bibring artfully explores their significances through a variety of chapters From highlighting how hair symbolism and color symbolism construe dangerous prejudices to suggesting that Achbor is a symbolic incarnation of a new Balaam the author through close readings of selected excerpts draws connections to the broader medieval and classical context By highlighting possible literary correspondences she sheds insightful light on this mysterious tale This book stands as a testament to the richness of medieval European Hebrew culture making it a must read for scholars and enthusiasts alike
