

The background image is a high-angle, wide shot of a medieval castle perched on a grassy hill. The castle features a large square tower with a flat roof and a smaller round tower with crenellations. A dirt path winds up the hill to the left. In the distance, a valley with a town and a river is visible under a cloudy sky.

Early medieval militarisation Ellora Bennett,Guido M. Berndt,Stefan Esders,Laury

Sarti,2021-04-13 The societies of ancient Europe underwent a continual process of militarisation and this would come to be a defining characteristic of the early Middle Ages The process was neither linear nor mono causal but it affected society as a whole encompassing features like the lack of demarcation between the military and civil spheres of the population the significance attributed to weapons beyond their military function and the wide recognition of martial values Early medieval militarisation assembles twenty studies that use both written and archaeological evidence to explore the phenomenon of militarisation and its impact on the development of the societies of early medieval Europe The interdisciplinary investigations break new ground and will be essential reading for scholars and students of related fields as well as non specialists with an interest in early medieval history

Gender and Medieval Mysticism from India to Europe Alexandra Verini,Abir Bazaz,2023-09-29 This book opens up a dialogue between pre modern women identified as mystics in diverse locations from South Asia to Europe It considers how women from the disparate religious traditions of Hinduism Islam and Christianity expressed devotion in parallel ways The argument is that women's mysticism demands to be compared not because of any essential female experience of the divine but because the parallel positions of marginalization that pre modern women experienced led them to deploy intimate encounters with the divine to speak publicly and claim authority The topics covered range from the Sufi devotional tradition of Sidi Indians of African ancestry to the Bhakti poet Mirabai and the nuns of Barking Abbey Collectively the chapters show how mysticism allowed premodern women to speak and act by unsettling traditional gender roles and expectations for religious behavior At the same time as uncovering connections the juxtaposition of women from different traditions serves to highlight distinctive features The book draws on a range of disciplinary expertise and will
