Handing Down The Light Handing Down The Light:

Handing Down the Light Chi-Ying Fu, Zhiying Fu, 2004 Master Hsing Yun has transformed the role of Chinese Buddhism in the modern world Under his leadership large centers have been established in Taiwan Los Angeles and Sydney along with a host of other organized groups throughout the world Perhaps it is better to abandon the wish to explain greatness and simply look at the life story and delight in the lore and happenings Like other persons of fame Master Hsing Yun will never be completely explained While recognition and support were given in extraordinary amounts he had to overcome obstacles that would have defeated most people The forces of history were not favorable for a young Chinese Buddhist monk in the mid twentieth century He survived and held to his career as spiritual teacher in the face of formidable odds Perhaps his greatest accomplishment has been the courage to achieve great success and recognition without retreating from it It has not been in his way to enjoy a peaceful life in a hermitage after achieving acceptance from a community of disciples His energy and commitment seem as powerful today as they much have been when he arrived in Taiwan a strikingly handsome and charismatic young monk No future histories of Chinese Buddhism will be complete without reference to the influences of this leader Book jacket

The Politics of Buddhist Organizations in Taiwan, 1989-2003 André Laliberté, 2013-08-21 Lalibert looks at a relatively unexplored aspect of modern Taiwan the influence of religion on politics This book offers a detailed survey of three of the most important Buddhist organizations in Taiwan the Buddhist Association of the Republic of China BAROC the Buddha Light Mountain or Foguanshan monastic order and the Buddhist Compassion Relief Tzu Chi Association or Ciji It examines their contrasting approaches to three issues state supervision of religion the first presidential election of 1996 and the establishment of the National Health Insurance This study analyzes the factors that explain the diverse paths the three organizations have taken in the politics of Taiwan Based on an in depth examination of Buddhist leaders behaviour The Politics of Buddhist Organizations in Taiwan compels us to question conventional views about the allegedly passive aspect of religious tradition deference to authority in societies influenced by Confucian culture and the adverse legacy of authoritarian regimes

Just Jake Erik P. Block, 2011-06-09 Jake's life is less than perfect His father drinks his mother is borderline insane and his disabled brother Kyle can't so much as feed himself or tie his own shoes But when he suddenly falls simultaneously into love and tragedy Jake's life spirals into a chaos that he couldn't even imagine and only he can put the pieces back together Jake narrates his tale with a voice that is equal parts bitter and innocent tragic and witty sarcastic and sweet and his tale of love lost and love found of confusion and identity will resonate with all readers who have struggled with
