Down the Up Staircase Bruce D. Haynes, Syma Solovitch, 2017-04-11. Down the Up Staircase tells the story of one Harlem family across three generations, connecting its journey to the historical and social forces that transformed Harlem over the past century. Bruce D. Haynes and Syma Solovitch capture the tides of change that pushed blacks forward through the twentieth century: the Great Migration, the Harlem Renaissance, the early civil rights victories, the Black Power and Black Arts movements, as well as the many forces that ravaged black communities, including Haynes's own. As an authority on race and urban communities, Haynes brings unique sociological insights to the American mobility saga and the tenuous nature of status and success among the black middle class. In many ways, Haynes's family defied the odds. All four great grandparents on his father's side owned land in the South as early as 1880. His grandfather, George Edmund Haynes, was the founder of the National Urban League and a protégé of eminent black sociologist W. E. B. Du Bois; his grandmother, Elizabeth Ross Haynes, was a noted children's author of the Harlem Renaissance and a prominent social scientist. Yet these early advances and gains provided little anchor to the succeeding generations. This story is told against the backdrop of a crumbling three-story brownstone in Sugar Hill that once hosted Harlem Renaissance elites and later became an embodiment of the family's rise and demise. Down the Up Staircase is a stirring portrait of this family, each generation walking a tightrope, one misstep from free fall.

Tourism and Entrepreneurship Jovo Ateljevic, Stephen J. Page, 2017-12-04. Tourism and Entrepreneurship International Perspectives provides an innovative interdisciplinary approach. This book takes as its central theme the role of entrepreneurship in the context of regional, local, and national tourism development. By engaging with top academics in both tourism and entrepreneurship, this book delivers a cohesive interdisciplinary examination of the most recent developments in both tourism and entrepreneurship. Several key themes are explored and articulated through the following concepts and issues: tourism innovation and entrepreneurship; the role and nature of individual and collective entrepreneurship in different contexts; the role of tourism in responding to development opportunities created by global forces; and finally, issues associated with tourism strategies and policies. Divided into four parts, the book reflects on the most relevant areas of tourism entrepreneurship: Understanding the conceptual basis of tourism entrepreneurship; Creative use of entrepreneurship and processes of social innovation; Tourism entrepreneurship mediating the global-local divide; Sectoral strategies and policy issues of tourism entrepreneurship; Tourism and Entrepreneurship International Perspective. Explains the impact of tourism entrepreneurship on places and overall regional and destination development. Examines the role of the public sector in facilitating the need for sustainable tourism.

development Examines the effects and implications of funding schemes and support programmes Takes the owner manager and entrepreneur as the starting point of analysis to explore specific issues Allows practitioners and policy makers to explore practical applications and best practice of theory through a diverse range of international case studies Contributed to by an international team of leading scholars in tourism and entrepreneurship This book is a unique combination of theory case studies and discussion highlighting the importance of entrepreneurial tourism activity for economic success It is essential reading for students and researchers in both tourism and entrepreneurship *Fifty Years of Flight* Welman Austin Shrader,1953
