Inhale Comfort Exhale Hope:

The Mother Wave Andrea O'Reilly, Fiona Joy Green, 2024-09-01 Matricentric feminism seeks to make motherhood the business of feminism by positioning mothers' needs and concerns as the starting point for a theory and politics and for the empowerment of women as mothers. Based on the conviction that mothering is a verb, it understands that becoming and being a mother is not limited to biological mothers or cisgender women but rather to anyone who does the work of mothering as a central part of their life. *The Mother Wave*, the first ever book on the topic, compellingly explores how mothers need a matricentric mode of feminism organized from and for their particular identity and work as mothers and because mothers remain disempowered despite sixty years of feminism. The anthology makes visible the power of matricentric feminism as it is theorized, enacted, and represented to realize and achieve the subversive potential of mothers and their contributions to feminist theory and activism. Contributors share the impact and influence of matricentric feminism on families and children, culture, art, literature, education, public policy, social media, and workplace practices through personal reflections, scholarly essays, memoir, creative non-fiction, poetry, and photography. *The Mother Wave* of matricentric feminism invites conversations with others and offers a praxis of feminism that aims to coexist, overlap, and intersect with others.

Reconstructing the Rubble Kevin Jack, 2020-12-01 The lead pastor of Be Hope Church offers a guide for those who are questioning their faith and those who want to rebuild it. Questioning our long-held beliefs and assumptions can be a good thing. But deconstructing your faith can also lead to dismantling it completely. When one's childlike faith is not sturdy enough to handle the doubts and struggles of adulthood, it needs to be rebuilt. In *Reconstructing the Rubble*, Kevin Jack walks readers through a spiritually healthy process of deconstruction and reconstruction. Jack helps readers understand what is happening with friends or family members who are suddenly questioning everything. And he offers advice on how to help loved ones rebuild their faith.
