Stephen Bowe,Peter Richmond,2007-01-01 The simple yet striking lines of Shaker design grace much of the furniture we see in high end department stores and beautiful examples of it adorn the pages of Architectural Digest and House Beautiful How did this style evolve from its origins in a humble small religious community to the international design phenomenon it is today This illustrated study explores the emergence of the Shaker style and how it was vigorously promoted by scholars and artists into the prominence it now enjoys The heart of the Shaker style lies in the religious movement founded in the eighteenth century where Stephen Bowe and Peter Richmond begin their chronicle From there the authors chart the evolution of the style into the twentieth century particularly in the hands of design media scholars and art institutions These Shaker agents repositioned Shaker style continuously from local vernacular to high culture and then popular culture Drawing on a rich array of sources including museum catalogs contemporary design magazines and scholarly writings *Selling Shaker* illustrates in detail how the Shaker style entered the general design consciousness and how the original aesthetic was gradually diluted into a generic style for a mass audience A wholly original and fascinating study of American design and

consumption Selling Shaker is a unique resource for collectors scholars and anyone interested in the cultural history of a design aesthetic *Old House Interiors* ,2003-02 National architectural magazine now in its fifteenth year covering period inspired design 1700 1950 Commissioned photographs show real homes inspired by the past but livable Historical and interpretive rooms are included new construction additions and new kitchens and baths take their place along with restoration work A feature on furniture appears in every issue Product coverage is extensive Experts offer advice for homeowners and designers on finishing decorating and furnishing period homes of every era A garden feature essays archival material events and exhibitions and book reviews round out the editorial Many readers claim the beautiful advertising all of it design related no lifestyle ads is as important to them as the articles **Old House Interiors** ,2002-11 National architectural magazine now in its fifteenth year covering period inspired design 1700 1950 Commissioned photographs show real homes inspired by the past but livable Historical and interpretive rooms are included new construction additions and new kitchens and baths take their place along with restoration work A feature on furniture appears in every issue Product coverage is extensive Experts offer advice for homeowners and designers on finishing decorating and furnishing period homes of every era A garden feature essays archival material events and exhibitions and book reviews round out the editorial Many readers claim the beautiful advertising all of it design related no lifestyle ads is as important to them as the articles **Fine Woodworking** ,2002 **Forthcoming Books** Rose Army,2001 Bookcases, Cabinets & Built-Ins Editors of Fine Homebuilding,Editors of Fine Woodworking,2012-10-30 Storage solutions are a universal need and this expert guide from Fine Homebuilding and Fine Woodworking will show you how to build custom units that are both sturdy and beautiful Bookcases Cabinets Built Ins is a collection of 25 step by step articles that help carpenters woodworkers and DIY enthusiasts of all skill levels create elegant storage pieces for any room Whether you re organizing books kitchen essentials or sports gear this book offers timeless designs and practical solutions to keep your life organized Bookcases Cabinets Built Ins provides both the seasoned carpenter and the DIY hobbyist with he inspiration and know how to build beautiful functional storage units that enhance your home Perfect for anyone looking to maximize space and add a personal touch to their living areas Key Features 25 Projects Includes detailed instructions for building a wide range of bookcases built ins kitchen cabinets and more Expert Craftsmanship Learn from some of America s most skilled woodworkers and craftsmen offering advice on every aspect of design and construction Custom Solutions From entertainment centers to mudroom organizers these projects combine practicality with beautiful craftsmanship Step by Step Instructions Each project is clearly explained with helpful photos illustrations and pro tips **Home** ,2000 *Serviços Bibliográficos da Livraria Portugal* Livraria Portugal.
