

INHERIT THE WIND

State the speaker and the significance of the following quote: Your answers must be in **complete paragraph format**. (Remember: one sentence = one point)

(5 marks each)

1. The individual human mind. In a child's power to master the multiplication table there is more mystery than in all your stonied "Mosaic", "Holy Writ" and "Mosaicist". An idea is a greater monument than a cathedral. And the advance of man's knowledge is more of a miracle than any stick turned to snake, or the parting of waters!
2. Lord, we call down the same curse on those who ask grace for this sin—though they be blood of my blood, and flesh of my flesh!
3. I am trying to establish, Your Honor, that Howard—or Colonel Brady—or Charles Daniels—or anyone else in this courtroom—or you, sir—has the right to think!

Committee on Education and Labor. Subcommittee on Elementary, Secondary, and Vocational Education, 1982 **Critical Issues in Education** Jack L. Nelson, Stuart B. Palonsky, Mary Rose McCarthy, 2020-08-12 Critical Issues in Education examines three questions that are at the core of the education debate in the United States What interests should schools serve What knowledge should schools teach How do we develop the human environment of schools When answering these queries the authors advocate the use of critical thinking which includes dialogue and dialectic reasoning Dynamic and interactive dialogue requires listening and assessment while dialectic stimulates the development of a creative response that encompasses both sides of an issue When applied these approaches engender an informative and stimulating discussion In order to explore the depth of current educational issues the Ninth Edition considers 15 topics providing supporting evidence and reasoning for two divergent views These issues include violence in schools the role of technology gender equity multiculturalism inclusion and disability and school choice Both civic and professional discussions regarding improvements will have consequences for students teachers and society As a result educational views and the social landscape in which they reside deserve critical study **Apologetics Study Bible for Students-HCSB** Sean McDowell, Holman Bible Staff, 2010-02 Black brown cream imitation leather cover **The CLE Journal and Register**, 1998 Play Directing Francis Hodge, Michael McLain, 2015-11-19 Play Directing describes the various roles a director plays from selection and analysis of the play to working with actors and designers to bring the production to life The authors emphasize that the role of the director as an artist leader collaborating with actors and designers who look to the director for partnership in achieving their fullest most creative expressions The text emphasizes how the study of directing provides an intensive look at the structure of plays and acting and of the process of design of scenery costume lighting and sound that together make a produced play *Annotated Instructors Edition (Aie Alone) to Accompany Sociology* Schaefer, 2001-05 A Jealous God Pamela R. Winnick, 2005-10-30 A look at the personal and professional motivations behind the scientific community's dogmatic rejection of religion and how this impacts the culture

The age old war between religion and science has taken a new twist Once the dedicated scientist martyr fought heroically against rigid religionists But now the tables have turned and it is established science crusading against religion pushing atheistic agendas in the classroom in textbooks and in the media This book shows how science has now become a religion of its own an often fanatical one at that furiously preaching atheism punishing dissenters dictating how and what we should think and subtly inserting its worldviews in everything from education to entertainment And with stunning clarity it proves that with billions of dollars up for grabs in the race for stem cell research intellectual integrity has been replaced with good old fashioned greed With sharp insight and completely original reporting this book defiantly shows the extent to which science is beating down religion and how this systematic tyranny is unmistakably weakening culture and society **The New International Encyclopaedia** Frank Moore Colby,Talcott Williams,1923 **The Living Church** ,1908 *Religious Remembrancer* ,1917 The Yijing and Chinese Politics Tze-ki Hon,2012-02-01 This book is the first comprehensive study of Yijing Book of Changes commentary during the Northern Song period showing how it reflects a coming to terms with major political and social changes Seen as a transitional period in China s history the Northern Song 960 1127 is often described as the midpoint in the Tang Song transition or as the beginning of Song Ming Neo Confucianism Challenging this traditional view Tze ki Hon demonstrates the complexity of the Northern Song by breaking it into three periods characterized by alternately the reestablishment of civil governance large scale reforms and a descent into factional rivalry To illustrate the distinct characteristics of these three periods Hon compares commentaries by Hu Yuan Zhang Zai and Cheng Yi with five other Yijing commentaries highlighting the broad parameters as well as the specific content of an extremely important world of discourse the debate on literati activism These differing views on the literati s role in civil governance prove how lively diverse and intense Northern Song intellectual life was while also reminding us how important it is to understand the history of the period on its own terms **Christian Nation** ,1900 English Mechanic and World of Science ,1884
