Developing a Kingdom Mind-Set Lou Jean Turner, 2018-03-16 In the natural world the process of appropriating a place for one's own use involves planning organization and strategies for implementation Getting to know the people language and culture is a valuable asset

for effective communication Possibly the greatest need in succeeding is the provision of a leader to act or speak on behalf of the new government A person who is knowledgeable of the government and loyal to its king would be an ideal candidate The key here seems to be an acknowledgment of and commitment to the process We first see the process of colonization as God's choice to make earth an extension of heaven the place created for Him God is a spirit and therefore we understand that He lives in a spiritual place It is invisible The extension however is visible It is a garden given to His creation humankind with instructions There is evidence that socialization education empowerment and complementary relationships are parts of the preparation process of those who are made representatives of heaven's government God's design for teaching humankind to think like He thinks is the perfect blue print It seems that as believers children of God and kingdom citizens we have not completed the process We must move from being believers to kingdom representatives We must learn to think like our King which will be reflected in our behavior Having developed a kingdom mind set we must then help other believers experience the process

Wait! You're Next in Line! Willa Dean Montgomery, 2021-03-16 Wow The best is yet to come to those who are willing to wait on God's timing WHAT DO YOU DO WHEN YOU HAVE BEEN WAITING ON GOD FOR A WHILE WHEN YOUR PRAYERS HAVEN'T BEEN ANSWERED YOU JUST WAIT Author Willa Dean Montgomery shares strategies that will change the way you approach troubles in your life helping you understand the process of you waiting on the manifestation of God's promises in your life You need to know these five keys to help you to be successful in your wait Everything begins with a process God does everything with a purpose in mind Your waiting on God is not in vain Without faith it is impossible to please God God cannot lie Waiting on God will take faith and patience But when you wait on God God is building your character so you can become mature to handle the blessings All blessings and promotions come from God and God is preparing you to fulfill your destiny This book will encourage you to remain faithful to God as you wait on Him no matter what troubles you are facing WAIT YOU ARE NEXT IN LINE
