**Katherine Barrett, Richard Greene**

## **Government That Works:**

Government That Works John Bernard, 2015-01-05 Government That Works The Results Revolution in the States is the story of public servants at every level of state government across the nation who are transforming government With real world hands on stories from states including in part Oregon Michigan Maryland Colorado Tennessee Washington and New Mexico the book chronicles the emerging best practices in results driven government Government That Works includes practical tools in use to implement sweeping cultural change by shifting the system of management from one that is reactionary to a system driven by clear goals and specific measures that gauge progress The book addresses how a management system is what coalesces everything from being customer driven to lean and balanced scorecards to regulatory reform project management and employee engagement

**How the U.S. Government Works** Syl Sobel J.D., 2025-06-03 Newly updated edition Discover everything you need to know about American democracy with this easy to read guide to our government How the U S Government Works is a fact packed primer that helps kids understand the many facets of America s federal system Readers will learn about how the government came to be the responsibilities of the Executive Legislative and Judicial branches and how our democracy impacts their own lives today

Government Works Milton J. Esman, 2018-10-18 What is the proper role of government in American life This is the principal controversy in contemporary American politics Milton J Esman believes that the United States suffers not from too much government but from too little Most Americans today proclaim pride in their democracy but they do not trust Washington Esman shows how American conservatives have for the last quarter century hammered away at the federal government attacking its size its inefficiencies the limits it places on personal freedom and its intervention in what conservatives believe should be free and untrammelled market transactions Such commentators have effectively seized the initiative and their antigovernment viewpoint now dominates the public discourse on politics This bias runs contrary to the main thrust of American political experience Esman writes and is detrimental to the well being of the nation on the brink of the new millennium His book includes a historical study of public attitudes toward government and an analysis of the functions that only government can perform to ensure a healthy future for the American people and to check the negative effects of economic globalization He proposes a set of political tactics to address the unchallenged trashing of a central institution of American democracy and restore public confidence in government Plainspoken straight shooting wide ranging Government Works draws on the progressive tradition in American thought to deal with the central predicament in contemporary public affairs

Making Government Work United States. Congress. Office of Technology Assessment, 1993 This report published in its entirety OTA TCT 578 and in a summary form OTA TCT 579 containing only the first chapter of the complete report focuses on key topics and issues that are central to the successful use of electronic delivery by government The review conducted by the Office of Technology Assessment concludes that the movement toward electronic delivery of government services is accelerating but that many factors must be

considered The greatest risks of electronic delivery are overlooking the human element and users needs which would further widen the gap between the technologically literate and the technologically illiterate and failing to capitalize on all the opportunities that partnerships among government agencies and the private sector could provide Changes that will be required in federal management are outlined and options for successful implementation of electronic delivery are sketched Many rely on the amplification of existing structures Five appendixes complement the complete report including a list of the 11 boxes 5 figures and 22 tables that illustrate the discussion and lists of acronyms and terms contributors field study participants and contractor reports The summary volume contains four tables and two boxes SLD

*For Which We Stand: How Our Government Works and Why It Matters* Jeff Foster, 2020-09-01 Discover everything you ever wanted to know about how the government really works with this accessible highly designed and illustrated handbook from Marjory Stoneman Douglas AP government teacher Jeff Foster Now more than ever it s so important for everyone to understand our government where it came from how it works and how we can bring about change And after all in the words of author and government teacher Jeff Foster If you don t participate you can t complain This book is a comprehensive and entertaining guide that answers questions like What is the Constitution What are the branches of the government What is the Electoral College What are the political parties What are the different responsibilities of the city state and federal governments Plus discover the complete backstory on some of our government s most important moments like why we wrote the Declaration of Independence and how people since then have worked with and protested against the government to improve the lives of all Americans Each spread features a mix of black and white and full color art including infographics charts maps political caricatures and other engaging visual elements that will be fun and easy for kids to understand Includes a foreword from Yolanda Renee King an activist and the granddaughter of Martin Luther King Jr and Coretta Scott King plus lots of amazing back matter about how kids can participate and get involved

*Good Enough for Government Work* Amy E. Lerman, 2019-06-14 American government is in the midst of a reputation crisis An overwhelming majority of citizens Republicans and Democrats alike hold negative perceptions of the government and believe it is wasteful inefficient and doing a generally poor job managing public programs and providing public services When social problems arise Americans are therefore skeptical that the government has the ability to respond effectively It s a serious problem argues Amy E Lerman and it will not be a simple one to fix With *Good Enough for Government Work* Lerman uses surveys experiments and public opinion data to argue persuasively that the reputation of government is itself an impediment to government s ability to achieve the common good In addition to improving its efficiency and effectiveness government therefore has an equally critical task countering the belief that the public sector is mired in incompetence Lerman takes readers through the main challenges Negative perceptions are highly resistant to change she shows because we tend to perceive the world in a way that confirms our negative stereotypes of government even in the face of new information Those who hold particularly

negative perceptions also begin to opt out in favor of private alternatives such as sending their children to private schools living in gated communities and refusing to participate in public health insurance programs When sufficient numbers of people opt out of public services the result can be a decline in the objective quality of public provision In this way citizens beliefs about government can quickly become a self fulfilling prophecy with consequences for all Lerman concludes with practical solutions for how the government might improve its reputation and roll back current efforts to eliminate or privatize even some of the most critical public services **Eight Hours for Laborers on Government Work** United States.

Department of Commerce and Labor,1904 *Eight Hours for Laborers on Government Work* ,1902 **Making Government Work** Katherine Barrett,Richard Greene,2019-12-24 In this book Barrett and Greene present evolving theories of performance management the practices necessary for a good performance based government and the pitfalls that can easily be encountered along the way and how to avoid them As performance management has evolved it has encompassed many different tools and approaches including measurement data analysis evidence based management process improvement research and evaluation In the past many of the efforts to improve performance in government have been fragmented separated into silos and labeled with a variety of different names including performance based budgeting performance informed management managing for results and so on Making Government Work The Promises and Pitfalls of Performance Informed Management by Katherine Barrett and Rich Greene is loaded with dozens of stories of what practitioners are currently working on what s working and what s not The benefits are ample so are the challenges This book describes both along with practical steps taken by practitioners to make government work better Readers will discover that while the authors strive to meet the documentation standards of carefully vetted academic papers the approach they take is journalistic Over the last year Barrett and Greene talked to scores of state and local officials as well as academics and other national experts to find out how performance management tools and approaches have changed and what is coming in the near term future Performance management has been in a state of evolution for decades now and so Barrett and Greene have endeavored to capture the state of the world as it is today By detailing both the challenges and conquests of performance management in Making Government Work The Promises and Pitfalls of Performance Informed Management Barrett and Greene ensure readers will find the kind of balanced information that is helpful to both academics and practitioners and that can move the field forward Making Government Work Tex Lezar,1994-11-01 The ideas and new vision contained in this volume lay a firm foundation for local leaders to build on as they employ their new mandate **Making Government Work** Naunihal Singh,2006 *Government Works* James P. Troxel,1995-01-01 This book is about how government really works not about politics or political life It is about real people finding solutions to problems with work or living situations The profiles feature people working at local state county and federal levels of government to redesign communities and reinvent ways for government to serve citizens Work Stoppages in Government, 1978 United States. Bureau of Labor Statistics,1980

*Making Government Work* Tan Parker, 2020-09-29 *Making Government Work* A Conservative Agenda for the States is an updated version of the highly acclaimed 1994 original book It serves as a modern day guide for how as Americans we can move the states forward with common sense conservative public policy initiatives to benefit the Nation as a whole *Making Government Work* is a reminder that conservative reforms set the stage for unprecedented prosperity The book contains a star studded line up of some of today s most powerful voices including Nikki Haley Chuck Norris Rick Perry Kathy Ireland Rick Santorum Chad Hennings Jeb Bush Dr Art Laffer and Bob Woodson along with many more *Making Government Work* is for state government what the Contract with America was for the federal government It is a sensible fact based plan to create a better future through the application of sound principles Newt Gingrich former Speaker of the House The author s proceeds from the book will be donated to organizations that serve America s veterans *Making Government Work* United States. Congress. Senate. Committee on Governmental Affairs, 1995 Distributed to some depository libraries in microfiche

**Making Local Government Work** Leendert Theodoor van den Dool, 2005 This book looks at the development of local government on a global scale its history practice and future Leon van den Dool explores local government from a practical standpoint including human resource policy and financial management offers a concise summary of modern public management theories and links this theory with practice providing case studies from countries at different stages of development A valuable tool for students and scholars of management *Making Local Government Work* is also an excellent overview for anyone interested in how such organizations really operate *Making Open Government Work* Richard Mulgan, 2014-10-24 A systematic and engaging new text that analyses accountability and transparency in contemporary public services and examines how open government can be both a challenge and an aid to more effective public management This text is an ideal guide for both practical and conceptual understanding of the possibilities of open government **The Warping of Government Work** John D. Donahue, 2008-05-30 It s a long standing pattern elite workers spurn public jobs while less skilled workers cling to government work as a refuge from a harsh private economy Donahue documents government s isolation from the rest of the U S economy and arrays the stark choices we confront for narrowing or accommodating the divide between public and private work *Making Government Work* Ernest F. Hollings, Kirk Victor, 2008 This book describes a career politician s pragmatic remedies for broken government drawn from a half century of political leadership experience Performance is better than promise has long been the motto of Ernest F Fritz Hollings former governor of South Carolina and 6 term U S Senator In this political autobiography of his 50 year career in public service Hollings takes to task our flawed political machine and pulls from his own experiences compelling and often colorfully candid accounts how one makes government work in spite of itself Confrontational at times toward those individuals and issues he cites as to blame for deadlocking government and putting America in the ditch Hollings proves through his crystal clear prose he is deeply committed to improving our system of government strengthening regulations on free trade

countering dependence on wooing campaign contributions and enhancing our communication and education systems to better compete in an information driven global market Hollings details specific instances from his past of moments when bold leadership and smart use of resources and authority led to positive differences in the lives of Americans It is his mission through this volume to reinvigorate a floundering system and call good people and good ideas back into the service of America s future

**Eight Hours for Laborers on Government Work** United States. Congress. House. Committee on Labor,1904
