**HouseHeal** Sara Brown Crowder, 2012-03-12 What if creating a beautiful peaceful love filled home is easier than you think? Do you try your best to get things done at home only to lose momentum sometimes even before you start? Do issues like mess, clutter, décor repairs and updates seem to go on forever? Even if you manage to get everything done and looking good, does your home still feel like something is missing? What if you could learn how to bring a whole new level of order, peace, beauty, love and good energy into your home with ease for the rest of your life? HouseHeal: Transform Your Life through the Power of Home reveals the three keys to a beautiful home that supports you in living a life that you love. Weaving timeless universal principles with the practical details of daily life, HouseHeal helps you to connect with your true power, know what you want and move into action at home in a way that feels natural and life affirming, even fun. HouseHeal's compassionate and inspiring step by step approach gives you the understanding, skills and motivation you need to create a more beautiful home and a more beautiful life now. Many people take design inspiration from magazine pictures of other people's houses. It's like trying to fit into another person's shoes and can leave you uncomfortable or even unhappy. Design should enhance your life, not be an obstacle in it. HouseHeal helps you to be aware of what works for you, execute it and enjoy an enhanced life because of your house, not in spite of it, by helping you marry heart and home.
