**Better Lesson Plans, Better Lessons** Ben Curran, 2015-09-25 In today's high stakes world ready-made lessons and teacher's guides are no longer enough to guarantee achievement. The best way to help students succeed is through deliberate and careful lesson planning focused on the end result of increasing student achievement. Whether you are a new teacher or an experienced educator, this book will help you get started by providing a practical step-by-step guide to designing lessons that will lead to student mastery of any objective. You'll learn the essential components of lessons that are Common Core aligned and grounded in best practices. Topics include Tailoring your lessons to meet your state standards while ensuring high student achievement. Writing a strong objective to stay focused on the goal of a lesson. Creating an end-of-lesson assessment to gauge the lesson's success. Constructing a lesson plan that combines direct instruction, guided practice, and independent practice. Along the way, you'll find plenty of helpful examples from math and English Language Arts. You'll also find end-of-chapter FAQs and activities to try to help you make these concepts a reality for your own classroom. Many of the tools from the book are also available as free downloads from our website [www.routledge.com/books/details/9781138838871](http://www.routledge.com/books/details/9781138838871).

**Powerful Thinking** Adrienne Gear, 2024-03-18 An inspiring book to help teachers shift their beliefs and stretch their thinking around reading comprehension, literacy instruction, and content area learning. Using the key concepts and strategies introduced in her ground-breaking book *Reading Power*, Adrienne Gear shows teachers practical ways to create a culture of thinking that can be integrated into all areas of learning. Using knowledge-rich texts as tools, Adrienne shares how read-alouds can be used in content areas to support literacy skills and build knowledge. This timely book offers classroom-tested lessons and anchor books to create a content-rich learning environment that helps strengthen student learning and knowledge building.

**The Teacher Residency Model** Cheryl A. Torrez, Marjori Krebs, 2019-11-26 Teacher residencies are on the rise across the United States as a successful way to address the high rate of teacher shortages and attrition. The National Center for Teacher Residencies (NCTR) has been guiding this work for over ten years, partnering with teacher preparation institutions, local school districts, and community partners to implement best practices for teacher preparation. With an introduction by NCTR on the key components of successful residencies, each subsequent chapter is written by an exemplary NCTR partner who has a successful residency program and who shares specific aspects of their programs from which others can learn.
