African Youth in Contemporary Literature and Popular Culture Vivian Yenika-Agbaw, Lindah Mhando, 2014-01-21 This book explores how African youth are depicted in contemporary literature and popular culture and discusses the different ways by which they attempt to construct personal and cultural identities through popular culture and social media outlets The contributors approach the subject from an interdisciplinary perspective looking at images in children's and adolescent literature from Africa and the African diaspora from Nollywood and Hollywood movies from popular magazines and from youth cultures encountered directly through field experiences The findings reveal that there are many stereotypes about Africa African youth and black cultures and that African youth are aware of these Since they juggle multiple identities shaped by their ethnicities race and religion it is often a challenge for them to define themselves As they also share a global youth culture that transcends these cultural markers some take advantage of media outlets to voice their concerns and participate in political struggles Others simply use these to promote their personal interests Contributors ponder the challenges involved in constructing unique identities offering ideas on how African youth are doing so successfully or not in different parts of the continent and the African diaspora and thus offer new possibilities for youth studies

The Publishers Weekly, **The Power of Oral Culture in Education** Ardavan Eizadirad, Njoki Nathani Wane, 2023-03-03 This volume

explores the importance of inter generational oral culture and stories that transcend time space and boundaries transmitted historically from one generation to the next through proverbs idioms and folklore tales in different geographical and spatial contexts These important stories and their embedded life lessons are introduced explained and supplemented with pre and post educational activities and lesson plans to be used as learning resources The centering of orality as a tool and medium for educating the future generation is a reclamation and reaffirmation of Indigeneity Indigenous knowledges and non hegemonic approaches to support students in a socio culturally sustaining manner Through this understanding this book explores the interconnectedness between culture traditions language and way of life through oral storytelling sharing and listening

Educating Learners with Down Syndrome Rhonda Faragher, Barbara Clarke, 2013-10-23 For individuals with Down syndrome the extent of the effect of intellectual disability depends largely on the degree of provision of appropriate support and intervention In *Educating Learners with Down Syndrome* editors Rhonda Faragher and Barbara Clarke have brought together a number of expert contributors whose chapters review recent findings in the field of DS education highlight promising practices and identify areas for future research While the emphasis is primarily on the school years links to early intervention and to life post 16 are made with chapters organized into three parts conceptual overview of issues in learning and teaching learning mathematics and literacy development The book is also united by the cohesive themes of assessment evidence based practice and inclusive practices *Educating Learners with Down Syndrome* importantly incorporates the voices of individuals with Down syndrome whose personal narratives add significance to the research mission of the text and demonstrate the authors inclusive philosophy Aimed at researchers teacher educators higher degree students and policy makers this book is the first of its kind to provide a compendium of research on educating learners with Down syndrome

Best Practices in Literacy Instruction, Fifth Edition Linda B. Gambrell, Lesley Mandel Morrow, 2014-09-12 This book has been replaced by *Best Practices in Literacy Instruction Sixth Edition* ISBN 978 1 4625 3677 1 **Secular Steeples 2nd Edition** Conrad Ostwalt, 2012-11-29 The Scandinavian Nordic countries of Denmark Norway Sweden and Finland experienced the effects of the German invasion in April 1940 in very different ways Collaboration resistance and co belligerency were only some of the short term consequences Each country s historiography has undergone enormous changes in the seventy years since the invasion and this collection by leading historians examines the immediate effects of Hitler s aggression as well as the long term legacies for each country s self image and national identity The Scandinavian countries war experience fundamentally changed how each nation functioned in the post war world by altering political structures the dynamics of their societies the inter relationships between the countries and the popular view of the wartime political and social responses to totalitarian threats Hitler was no respecter of the rights of the Scandinavian nations but he and his associates dealt surprisingly differently with each of them In the post war period this has caused problems of interpretation for political and cultural historians alike Drawing on the latest research this volume will be a welcome addition

to the comparative histories of Scandinavia and the Second World War Best Practices in Literacy Instruction, Fourth Edition Lesley Mandel Morrow, Linda B. Gambrell, 2011-06-16 A highly regarded teacher resource and widely adopted text this book is grounded in current knowledge about literacy teaching and learning in grades PreK-8. The field's leading authorities present accessible recommendations for best practices that can be tailored to fit specific classroom circumstances and student populations. Provided are strategies for helping all students succeed including struggling readers and English language learners and for teaching each of the major components of literacy. The book also addresses ways to organize instruction and innovative uses of technology. Chapters include concrete examples, Engagement Activities, and resources for further learning. New to This Edition: Incorporates the latest research findings and instructional practices. Chapters on motivation, content area teaching, new literacies, and family literacy. Addresses timely topics such as response to intervention, the new common core standards, English language learning, and policy issues. **Common Culture** Michael Petracca, Madeleine Sorapure, 2001 For freshman composition courses. From Barbie to the Internet, the Simpsons to the malls, this engaging text on pop culture helps students develop critical and analytical skills and write clear prose while reading, thinking, and writing about subjects they find inherently interesting. Spanning a full range of topics, it provides key reading and writing strategies and contains essays addressing a topic generally and then explores related material in depth. In addition to the readings, each section begins with a catchy cultural artifact that leads students into a detailed introduction, discussion questions, essay topics, and suggestions for further reading and research. *Geography* Heidi Hayes Jacobs, 1998

Resources in Education, 2000-04 **Popular Science**, 1909-11 Popular Science gives our readers the information and tools to improve their technology and their world. The core belief that Popular Science and our readers share: The future is going to be better, and science and technology are the driving forces that will help make it better. America: Pathways to the Present, 1995 **A Guided Reader to Early Years and Primary English** Margaret Mallett, 2015-10-23 A Guided Reader to Early Years and Primary English draws on extracts from the published work of some of the most influential education writers to provide insight, guidance, and clarity about key issues affecting early years practitioners and primary English teachers. The book brings together key extracts from classic and contemporary writing and contextualises these in both theoretical and practical terms. The extracts are accompanied by a summary of the key ideas and issues, raised questions to promote discussion and reflective practice, and annotated further reading lists to extend thinking. Taking a thematic approach and including a short introduction to each theme, the chapters cover: Models of and approaches to early years and primary English; Speaking and listening in English lessons; story telling; drama; booktalk and debate; Reading and responding to texts in English lessons; Writing in English lessons; finding a voice; Knowledge about language; grammar; spelling; punctuation and handwriting; The rich landscape of children's literature; Non-fiction in English lessons; Planning, assessing, and recording children's progress; the learning cycle. Aimed at trainee and newly qualified teachers, those working towards

Masters level qualifications and all those involved in the teaching of early years and primary English this accessible but critically provocative text will be an essential resource for those that wish to deepen their understanding of early years and primary English education **Faith, Life, and Learning Online** Brant M. Himes, John W. Washatka, 2022-04-08 Faith Life and Learning Online is an invitation for faith based institutions to take bold steps toward integrating a holistic mission of spiritual formation into the online learning environment For Christian higher education faith integration is a matter of mission not modality Regardless of whether learning happens in the traditional classroom through hybrid models or exclusively online Christian universities have a missional mandate to continue their long legacy of forming students of competence and character While traditional campuses continue to provide unique and meaningful opportunities for students to grow in their faith online learning has opened new avenues for engagement and development of spiritual formation As such all Christian higher education institutions are now called to take advantage of this unique technological moment to continue to offer transformative opportunities for the holistic integration of faith life and learning in the online environment
