HAIG'S COMMAND

A Reassessment

*'With Haig's Command, Winter has
come up with another masterpiece'*
– Norman Stone

Haigs Command A Reassessment

Victor M. Corman

Haigs Command A Reassessment:

Haig's Command Denis Winter, 1991 **Haig's Intelligence** Jim Beach, 2013-10-24 Haig's Intelligence confronts a perennial question about the British on the Western Front why did they think they were winning *Douglas Haig* Gary Sheffield, 2016-05-19 Well written and persuasive objective and well rounded this scholarly rehabilitation should be the standard biography Andrew Roberts Mail on Sunday A true judgment of him must lie somewhere between hero and zero and in this detailed biography Gary Sheffield shows himself well qualified to make it a balanced portrait The Sunday Times Solid scholarship and admirable advocacy Sunday Telegraph Douglas Haig is the single most controversial general in British history In 1918 after his armies had won the First World War he was feted as a saviour But within twenty years his reputation was in ruins and it has never recovered Drawing on previously unknown private papers and new scholarship unavailable when *The Chief* was first published eminent First World War historian Gary Sheffield reassesses Haig's reputation assessing his critical role in preparing the army for war Haig Brian Bond, Nigel Cave, 2009-04-20 Field Marshal Earl Haig's reputation continues to arouse as much interest and controversy as ever This volume represents the collaboration of two leading historical societies The British Commission for Military History and The Douglas Haig Fellowship Leading historians have produced a comprehensive and fascinating study of the most significant and frequently debated aspects of Haig's momentous career **Haig's Enemy** Jonathan Boff, 2018-03-13 During the First World War the British Army's most consistent German opponent was Crown Prince Rupprecht of Bavaria Commanding more than a million men as a General and then Field Marshal in the Imperial German Army he held off the attacks of the British Expeditionary Force under Sir John French and then Sir Douglas Haig for four long years But Rupprecht was to lose not only the war but his son and his throne *Haig's Enemy* by Jonathan Boff explores the tragic tale of Rupprecht's war the story of a man caught under the wheels of modern industrial warfare Providing a fresh viewpoint on the history of the Western Front Boff draws on extensive research in the German archives to offer a history of the First World War from the other side of the barbed wire He revises conventional explanations of why the Germans lost with an in depth analysis of the nature of command and of the institutional development of the British French and German armies as modern warfare was born Using Rupprecht's own diaries and letters many of them never before published *Haig's Enemy* views the Great War through the eyes of one of Germany's leading generals shedding new light on many of the controversies of the Western Front The picture which emerges is far removed from the sterile stalemate of myth Instead Boff re-draws the Western Front as a highly dynamic battlespace both physical and intellectual where three armies struggled not only to out-fight but also to out-think their enemy The consequences of falling behind in the race to adapt would be more terrible than ever imagined **Air Power and Desert Storm** Richard B. Clark, 1993-05 Includes Saddam Hussein and Iraqi Air Power The Air Force Mission The big Lesson from Desert Storm Air Base Attacks The New AFM 1-1 O Clubs and Close Air Support Black and white photos Seeking

Victory on the Western Front Albert Palazzo,2000-01-01 Seeking Victory on the Western Front examines how in the face of the devastating firepower advantages that modern weapons offered the Germans the British army developed the means to reclaim the offense and break the stalemate of the western front to defeat their enemy Within this context Albert Palazzo demonstrates the importance of gas warfare to Britain s tactical success and argues that it was a much more efficient weapon than past historians have suggested Despite British notions of tradition gentlemanly conduct and fair fighting the high command realized that the war was to be won by employing new technologies and techniques to counteract the defensive advantages their well fortified and entrenched opponent enjoyed on the western front Through his study of the evolution of chemical warfare Palazzo demonstrates that the British made the necessary transformation by successfully incorporating new weapons and tactics into their existing method of waging war As a result they created a new operational system that allowed the attacker to negate the defender s firepower advantage at all levels **Parameters** ,1992

Churchill's Man of Mystery Gill Bennett,2006-10-05 The mysterious life and career of Desmond Morton Intelligence officer and personal adviser to Winston Churchill during the Second World War is exposed for the first time in this study based on full access to official records After distinguished service as artillery officer and aide de camp to General Haig during the First World War Morton worked for the Secret Intelligence Service from 1919 1934 and the fortunes of SIS in the interwar years are described here in unprecedented detail As Director of the Industrial Intelligence Centre in the 1930s Morton s warnings of Germany s military and industrial preparations for war were widely read in Whitehall though they failed to accelerate British rearmament as much as Morton and Churchill considered imperative Morton had met Churchill on the Western Front in 1916 and supported him throughout the wilderness years moving to Downing Street as the Prime Minister s Intelligence adviser in May 1940 There he remained in a liaison role with the Intelligence Agencies and with Allied resistance authorities until the end of the war when he became a troubleshooter for the Treasury in a series of tricky international assignments Throughout Morton s career myth rumour and deliberate obfuscation have created a misleading picture of his role and influence This book shines a light into many hitherto shadowy corners of British history in the first half of the twentieth century This book will be of great interest to scholars and informed lay readers with an interest in the Second World War intelligence studies and the life of Winston Churchill **Hidden History** Gerry Docherty,James MacGregor,2013-07-04 Think you know about British history and the causes of the First World War Think again This fascinating and gripping study of events at the turn of the Twentieth Century is a remarkable insight into how political and social factors that we widely accept to be the causes of The Great War were really just a construct put together by a very small but powerful political elite Thought provoking Docherty and Macgregor do not mince their words their arguments are powerful Britain at War Simply astonishing Reader review Very illuminating Reader review You simply MUST read this book Reader review This is a page turner Reader review Hidden History uniquely exposes those responsible for the First World

War It reveals how accounts of the war's origins have been deliberately falsified to conceal the guilt of the secret cabal of very rich and powerful men in London responsible for the most heinous crime perpetrated on humanity For ten years they plotted the destruction of Germany as the first stage of their plan to take control of the world The assassination of Archduke Franz Ferdinand was no chance happening It lit a fuse that had been carefully set through a chain of command stretching from Sarajevo through Belgrade and St Petersburg to that cabal in London Our understanding of these events has been firmly trapped in a web of falsehood and duplicity carefully constructed by the victors at Versailles in 1919 and maintained by compliant historians ever since The official version is fatally flawed warped by the volume of evidence they destroyed or concealed from public view Hidden History poses a tantalising challenge The authors ask only that you examine the evidence they lay before you

Strategy for Chaos Colin Gray, 2004-08-02 The remit of this study is to encourage further studies that make an honest and successful effort to achieve synergy between social science and history when analysing the impact of revolutions in military affairs RMAs

Palestine and World War I Haim Goren, Eran Dolev, Yigal Sheffy, 2014-10-17 The Palestine Campaign has become one of the most glorified military campaigns of the twentieth century The last campaign fought by the Ottoman Army and thus the last act of the once mighty Ottoman Empire the Palestine Campaign saw the British Army under General Allenby conquer the Holy Land forcing the Turkish army back into Europe Meanwhile the secret Sykes Picot Agreement ensured the British and French would continue to influence the Middle East for the next 60 years This front saw some of the most influential stories of the Great War from T E Lawrence's Arab army in the desert to General Allenby entering Jerusalem on foot in 1917 Palestine and World War I shows how the events of the Great War have left a lasting legacy in the Middle East

Ypres Ian Beckett, 2013-12-16 The battle for Ypres in October and November 1914 represented the last opportunity for open mobile warfare on the Western Front In the first study of First Ypres for almost 40 years Ian Beckett draws on a wide range of sources never previously used to reappraise the conduct of the battle its significance and its legacy

Haig and Kitchener in Twentieth-Century Britain Stephen Heathorn, 2016-04-22 Lord Kitchener and Lord Haig are two monumental figures of the First World War Their reputations both in their lifetimes and after their deaths have been attacked and defended scrutinized and contested They have been depicted in film print and public memorials in Britain and the wider world and new biographies of both men appear to this day The material representations of Haig and Kitchener were shaped used and manipulated for official and popular ends by a variety of groups at different times during the twentieth century The purpose of this study is not to discover the real individual nor to attack or defend their reputations rather it is an exploration of how both men have been depicted since their deaths and to consider what this tells us about the nature and meaning of First World War commemoration While Haig's representation was more contested before the Second World War than was Kitchener's with several constituencies trying to fashion and use Haig's memory the Government the British Legion ex servicemen themselves and bereaved families it was probably less contested but overwhelmingly more negative than

Kitchener's after the Second World War The book sheds light on the notion of heroic masculinity questioning in particular the degree to which the image of the common soldier replaced that of the high commander in the popular imagination and explores how the military heritage in the twentieth century came into collision with the culture of modernity It also contributes to ongoing debates in British historiography and to the larger debates over the social construction of memory the problematic relation between what is considered heritage and history and the need for historians to be sensitive and attentive to the interconnections between heritage and history and their contexts **Air Force Magazine** ,1991-07

Haig Andrew A. Wiest,2005-07-22 Douglas Haig's career is at the center of a debate concerning the nature of the Great War Traditionalists contend that like the majority of general from both sides he was a hidebound relic of a bygone age who could not come to grips with modern war and sent his soldiers over the top in futile attacks with a criminal disregard for the enormous cost in lives Indeed under Haig's leadership the British Expeditionary Force fought its two signature battles of the war at the Somme and Passchendaele earning him a reputation as a butcher and bungler A revisionist school now contends that wartime leaders including Haig inaugurated a phenomenal period of innovation one that laid the foundations for modern warfare This learning curve led from the killing fields of the Somme to the protoblitzkrieg tactics of the Hundred Days Battles While the Hundred Days Battles often go unnoticed or unappreciated in the history of World War I obscured as they were by the failures of earlier campaigns here modern war came of age Haig's role in that transformation makes him the central figure of the war on the western front The Legacy of the Great War Jay Winter,2009-10-26 In late 2007 and early 2008 world renowned historians gathered in Kansas City for a series of public forums on World War I Each of the five events focused on a particular topic and featured spirited dialogue between its prominent participants In spontaneous exchanges the eminent scholars probed each other's arguments learned from each other and provided insights not just into history but also into the way scholars think about their subject alongside and at times in conflict with their colleagues Representing a fourth generation of writers on the Great War and a transnational rather than an international approach prominent historians Niall Ferguson and Paul Kennedy Holger Afflerbach and Gary Sheffield John Horne and Len Smith John Milton Cooper and Margaret MacMillan and Jay Winter and Robert Wohl brought to the proceedings an exciting clash of ideas The forums addressed topics about the Great War that have long fascinated both scholars and the educated public the origins of the war and the question of who was responsible for the escalation of the July Crisis the nature of generalship and military command seen here from the perspectives of a German and a British scholar the private soldiers' experiences of combat revealing their strategies of survival and negotiation the peace making process and the overwhelming pressures under which statesmen worked and the long term cultural consequences of the war showing that the Great War was great not merely because of its magnitude but also because of its revolutionary effects These topics continue to reverberate and in addition to shedding new light on the subjects these forums constitute a glimpse at how historical writing happens American society did not suffer the

consequences of the Great War that virtually all European countries knew a lack of perspective that the National World War I Museum seeks to correct This book celebrates that effort helping readers feel the excitement and the moral seriousness of historical scholarship in this field and drawing more Americans into considering how their own history is part of this story

Beaten Down By Blood Michele Bomford,2012-08-21 Beaten Down by Blood The Battle of Mont St Quentin Peronne 1918 charts an extraordinary journey from the trenches facing Mont St Quentin on 31 August 1918 through the frenetic phases of the battle until the final objectives are taken on 5 September This is the story often told in the words of the men themselves of the capture of the unattackable Mont and the invincible fortress town of Peronne two of the great feats of Australian forces in the First World War The Author places real men on the battlefield describing their fears and their courage and their often violent deaths The struggle for control of the battle to site the guns to bridge the Somme and maintain communications are portrayed in vivid detail The story also offers a glimpse of the men s families at home their anxiety and their life long grief

Passchendaele in Perspective Peter H. Liddle,2017-01-30 Passchendaele In Perspective explores the context and real nature of the participants experience evaluates British and German High Command the aerial and maritime dimensions of the battle the politicians and manpower debates on the home front and it looks at the tactics employed the weapons and equipment used the experience of the British German and indeed French soldiers It looks thoroughly into the Commonwealth soldiers contribution and makes an unparalleled attempt to examine together in one volume specialist facets of the battle the weather field survey and cartography discipline and morale and the cultural and social legacy of the battle in art literature and commemoration Each one of its thirty chapters presents a thought provoking angle on the subject They add up to an unique analysis of the battle from Commonwealth American German French Belgian and United Kingdom historians This book will undoubtedly become a valued work of reference for all those with an interest in World War One

Publishing in the First World War M. Hammond,S. Towheed,2007-05-16 This book explores the publishing and reading practices formed and changed by the First World War From an exploration of British and Australian trench journals to the impact of war on the literary figures of the home front the essays provide new information about the production circulation and reception of reading matter during this time

Yeah, reviewing a books **Haigs Command A Reassessment** could build up your near associates listings. This is just one of the solutions for you to be successful. As understood, carrying out does not suggest that you have wonderful points.

Haigs Command A Reassessment Introduction

In the digital age, access to information has become easier than ever before. The ability to download Haigs Command A Reassessment has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Haigs Command A Reassessment has opened up a world of possibilities. Downloading Haigs Command A Reassessment provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Haigs Command A Reassessment has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Haigs Command A Reassessment. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Haigs Command A Reassessment. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Haigs Command A Reassessment, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Haigs Command A Reassessment has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it

is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Haigs Command A Reassessment Books

1. Where can I buy Haigs Command A Reassessment books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Haigs Command A Reassessment book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
