Handel's Messiah Origins Composition Sources:

Handel's Messiah; Origins, Composition, Sources Jens Peter Larsen, 1972-01-01 *Handel's Messiah* Jens Peter Larsen, 1957 A historical esthetic and musical study of a great work of art **Handel's Messiah** Amanda Babington, 2024-06-07 The soundtrack of the Christmas season for many music lovers Messiah is performed annually by choral societies across the world And so perhaps unsurprisingly many aspects of it have been explored by scholars over the years The work is the subject of several listeners guides and there are a number of books and articles of various lengths that describe the biographical circumstances of the work s formation and details of its many performances many including lists of singers for each performance an area that has itself spawned a whole field of research There has been no extensive study of the creative process of Messiah however since 1969 This book seeks to redress this imbalance by providing a thorough investigation of the work s creative process Beginning with the creative process of the libretto it examines the earliest sketches Handel s use of pre existent material alterations made to the autograph score and the latest versions of movements Each stage of composition is examined via primary source material with particular reference to the autograph score and conducting score Each chapter is formed as a case study and contains related discussion points for use in teaching or study settings **Handel's Messiah** Calvin Stapert, 2010-10-12 Handel s oratorio Messiah is a phenomenon with no parallel in music history No other work of music has been so popular for so long Yet familiarity can sometimes breed contempt and also misunderstanding This book by music expert Calvin Stapert will greatly increase understanding and appreciation of Handel s majestic Messiah whether readers are old friends of this remarkable work or have only just discovered its magnificence Stapert provides fascinating historical background tracing not only Messiah s unlikely inception but also its amazing reception throughout history The bulk of the book offers scene by scene musical and theological commentary on the whole work focusing on the way Handel s music beautifully interprets and illuminates the biblical text For anyone seeking to appreciate Handel s Messiah more this informed yet accessible guide is the book to have and read Handel s Messiah Comfort for God s People is the newest volume in the flourishing Calvin Institute of Christian Worship Liturgical Studies Series edited by John D Witvliet **Handel's Messiah, Origin, Composition, Sources, by Jens Peter Larsen,...** Jens Peter Larsen, 1957 **Handel's Oratorios and Eighteenth-Century Thought** Ruth Smith, 1995-05-04 In this wide r anging and challenging book Ruth Smith claims that the words to Handel s oratorios reflect the events and ideas of their time and have far greater meaning than has hitherto been realised She explores eighteenth century literature music aesthetics politics and religion to reveal Handel s texts as conduits for the thought and sensibility of their time The book thus enriches our understanding of Handel his times and the close relationship between music and its intellectual contexts *Five Centuries of Choral Music* Gordon Paine, 1988 **So You Want to Sing Early Music** Martha Elliott, 2019-02-08 A great majority of European music written before 1750 is for voices but remains understudied and underperformed It includes music for groups

of voices and solo voices with and without instruments music for the church and the theater for the court and the chamber as well as music in different languages and with different national styles In *So You Want to Sing Early Music* Martha Elliott introduces this remarkably rich and varied repertoire within a historical context for the 21st century singer Focusing on music from the 17th and early 18th centuries this book offers guidance on style and ornamentation working with vocal and instrumental colleagues reading manuscripts and edited editions of scores Elliott shares advice for how to handle the different kinds of early music performance situations in which singers might find themselves as well as where to find workshops and performance opportunities Equally helpful to the classically trained solo singer or amateur choral singer *So You Want to Sing Early Music* will allow them to broaden their repertoire and build their stylistic toolbox Additional chapters by Scott McCoy and Wendy LeBorgne address universal questions of voice science pedagogy and vocal health The *So You Want to Sing* series is produced in partnership with the National Association of Teachers of Singing Like all books in the series *So You Want to Sing Early Music* features online supplemental material on the NATS website Please visit www.nats.org to access style specific exercises audio and video files and additional resources *Singing in Style* Martha Elliott, 2006-01-01

Muziekhistorisch en musicologisch overzicht van de klassieke solozang vanaf de barok tot heden *Handel, Tercentenary*

Collection Stanley Sadie, Anthony Hicks, 1987 **Handel** Anthony Hicks, 1988-03-08 **Hallelujah - The story of a musical genius and the city that brought his masterpiece to life** Jonathan Bardon, 2015-10-23 18 November 1741

George Frideric Handel one of the world's greatest composers arrives in Dublin the second city of the Empire to prepare his masterpiece *Messiah* for its maiden performance the following spring In *Hallelujah* Jonathan Bardon one of Ireland's leading historians explores the remarkable circumstances surrounding the first performance of Handel's now iconic oratorio in Dublin providing a panoramic view of a city in flux at once struggling to contain the chaos unleashed by the catastrophic famine of the preceding year while striving to become a vibrant centre of European culture and commerce Brimming with drama curiosity and intrigue and populated by an unforgettable cast of characters *Hallelujah* tells of how one charitable performance wove itself into the fabric of Ireland's capital changing the course of musical history and the lives of those who called the city home *Choral Masterworks from Bach to Britten* Robert J. Summer, 2007

Presents a series of discussions about sixteen choral masterworks facilitating conductors who perform these works and wish to know them This work examines compositions such as Bach's *Mass in B Minor* Mahler's 8th Symphony and more in terms of textual symbolism musical structure and identification of endearing traits of each work *Handel* David Vickers, 2017-07-05 This anthology represents scholarly literature devoted to Handel over the last few decades and contains different kinds of studies of the composer's biography operatic career singers librettists and his relationship with the music of other composers Case studies range from recent research that transforms our knowledge of large scale English works to an interdisciplinary exploration of an individual opera aria Designed to bring easy and convenient access to students performers and music lovers the wide

ranging articles are selected by David Vickers co editor of the recent Cambridge Handel Encyclopedia from diverse sources not only familiar important journals but also specialist yearbooks festschrifts not easily accessible newsletters conference proceedings and exhibition catalogues Many of these represent an up to date understanding of modern Handel studies deal with fascinating biographical issues such as the composer's art collection his chronic health problems and the nature of popular anecdotal evidence and fill gaps in the mainstream Handelian literature

The Messiah Douglas

Connelly,2014-01-28 The entire text of Handel's Messiah is drawn from Scripture and many of the Old Testament passages that shaped Israel's hope for their Redeemer are included in that text This eight session LifeGuide Bible Study leads you through Scripture passages used in Handel's work that highlight who Jesus is and what he came to do

Charlie's

Christmas Letter A. Kingsley Weatherhead,2010-06-01 Charlie's Christmas Letter is a little document in the form of a letter to my grandson which seeks to answer the questions that a bright teenager ought to be asking Why were the shepherds in the fields in winter Who were the three wise men Why do we bring holly into the house Of all the ways of entering a house why does Santa choose the chimney What is the Messiah about Why did Tchaikovsky drink unboiled water during a cholera epidemic What is the Jewish Celebration of Lights all about The letter presents some of the more interesting features of the season and incidental matters Much space is devoted to details of the nativity and the transmittal of these through the uncertainties of the gospel reports then there are the primitive rituals of food and drink the origin of Santa Claus and a summary of the wonderful legend The Cessation of the Oracles Then come features of the season not part of the nativity story Messiah The Nutcracker A Christmas Carol containing some of the more colorful and significant details of the lives of Handel Tchaikovsky and Dickens Then Hanukkah Then Shopping At best tangentially related these have in them elements of Christian value Next the climax of the season church on Christmas morning and the carols Finally the book concludes with an attempt to present for the boy the huge dimension of the inconceivable phenomenon of the Incarnation The chatty simple style avoids long words where possible and offers parenthetical explanations It is not without occasional innocent wit and is sometimes a bit didactic there are grandfatherly prescriptions which Charlie may find a bit pompous

Choral Music

James Michael Floyd,Avery T. Sharp,2012-07-26 This is an annotated bibliography to books recordings videos and websites on choral music This book will serve as an excellent tool for librarians researchers and scholars in sorting through the massive amount of new material that has appeared since publication of the previous edition

J.C. Bach Paul

Corneilson,2017-07-05 This volume of essays brings together the best of recent scholarship on Johann Christian Bach the youngest son of J S Bach and a friend and mentor of Mozart J C Bach had a cosmopolitan career beginning in Berlin as a pupil of his half brother C P E Bach then a sojourn to Italy where he studied with Padre Martini in Bologna after making his successful debut with operas for Turin and Naples he moved to London where he became a leading composer and impresario The articles selected for this volume represent the principal themes of scholarly research and writing over the past fifty years

The introduction provides a survey of J C Bach's career and an overview of recent literature. The collection includes English translations of two articles first published in German in the *Bach Jahrbuch* as well as one article published as recently as 2015. An appendix lists the complete contents of *The Collected Works of Johann Christian Bach* using the Warburton catalogue numbers.

Edinburgh Companion to Literature and Music da Sousa Correa Delia da Sousa Correa, 2020-07-23. Provides a pioneering interdisciplinary overview of the literature and music of nine centuries. Offers research essays by literary specialists and musicologists that provides access to the best current interdisciplinary scholarship on connections between literature and music. Includes five historical sections from the Middle Ages to the present with editorial introductions to enhance understanding of relationships between literature and music in each period. Charts and extends work in this expanding interdisciplinary field to provide an essential resource for researchers with an interest in literature and other media. Bringing together seventy-one newly commissioned original chapters by literary specialists and musicologists, this book presents the most recent interdisciplinary research into literature and music. In five parts, the chapters cover the Middle Ages to the present. The volume introduction and methodology chapters define key concepts for investigating the interdependence of these two art forms and a concluding chapter looks to the future of this interdisciplinary field. An editorial introduction to each historical part explains the main features of the relationships between literature and music in the period and outlines recent developments in scholarship. Contributions represent a multiplicity of approaches: theoretical, contextual, and close reading. Case studies reach beyond literature and music to engage with related fields including philosophy, history of science, theatre, broadcast media, and popular culture. This trailblazing companion charts and extends the work in this expanding interdisciplinary field and is an essential resource for researchers with an interest in literature and other media.

Paradise Lost in Short Kay Gilliland Stevenson, Margaret Seares, 1998. *Paradise Lost in Short* presents the history of early adaptations of Milton's *Paradise Lost* for the musical stage. Students of Milton and of eighteenth-century music, as well as anyone interested in how generic expectations and social conditions contribute to the shaping of artistic works, will find this volume useful. *Paradise Lost*. An Oratorio was first performed at Covent Garden the year after Handel's death and revived in two later seasons. The libretto by Benjamin Stillingfleet and the music by John Christopher Smith, the younger friend and former pupil of Handel, provide a reinterpretation of Milton's major poem.
