The Cold War Begins, 1945–1960

STARTUP QUESTION - Step into the Place:

Read and discuss the primary sources on pages 394-395

How do the United States and the Soviet Union each seem to be interpreting the intentions of the other nation?

US perspective -> The driving force behind the imperialism camp is the USA. The cardinal purpose of the imperialism camp is to strengthen imperialism, to hatch a new imperialism war, to combat socialism and democracy, and to support the reactionary and antidemocratic profascist regimes.

USSR perspective -> The USSR still believes in antagonistic capitalist encirclement with which in the long run there can be no permanent peaceful existence.

Lesson 1 The Origins of the Cold War

I. Building a New World

A. In July of 1944, President Roosevelt invited world leaders to Bretton Woods, NH, with the purpose of organizing the world's postwar economic systems. At the conference leaders created two key institutions: the **World Bank**, which lends money to weaker nations, and the **International Monetary Fund (IMF)** which helps nations with trade deficits (import more than they export).

B. Also in 1944 delegates from 39 nations met in the city of **Washington DC** to discuss a new organization called the **United Nations (UN)**. This organization would have a **General Assembly** of member nations and also a **Security Council** of eleven members.

C. When the Soviet Union liberated **Poland** in 1944, they encouraged the establishment of a **Communist Government** government. The pre-war government had fled to **Britain**. Churchill and Roosevelt agreed to **recognize the government** if members of the pre-war government were included and that **two elections** be held as soon as possible.

D. The leaders issued the Declaration of Liberated Europe that asserted all nations have the right to **choose government**.

E. The Allies divided Germany into **four** zones. Each one would be controlled by one Allied nation. They also insisted Germany pay **heavy reparations** for the war.

F. Tension between the United States and the Soviet Union led to the **Cold War**. The Soviets believed in a **communist** economic system. U.S. leaders believed that an **enterprise** system was the key to peace.

II. Truman Takes Control

A. In July 1945 Truman and Stalin met at the **Potsdam Conference**. Truman believed **an industry** was crucial for Germany, while the Soviet Union believed it needed **reparations** from Germany.

B. The Soviets refused to uphold the Declaration of Liberated Europe (DLE). The countries of Eastern Europe would set up **Communist** governments and came to be known as **satellite nations**. Churchill later described it as an **iron curtain** falling across Eastern Europe.
