Book Review Digest ,1949 *Finding God in Autism* Kathy Medina,2006-11-01 Finding no books with Biblical references to help her face the challenges of raising a child with special needs Kathy did intense research to bring back her hope Listening to the many preachers on TBN and doing Bible studies she studied Scriptures to help her understand God s plan for her child s life Doctors and teachers offered no hope and told her to brace herself for the long dark road she was now on Raised in a Christian home and active in her local church she knew in her heart that the God she serves is a God of mercy Here are Scriptures to restore your hope strengthen your faith and show you that God has a plan for your child s life Scriptures to promise that God is listening to your every prayer that He is watching the work and efforts being done on behalf of your children Scriptures that will empower you to be strong and steadfast reminding you that with God nothing is impossible

Finding God in Autism T. B. Mchatchins,2016-12-04 T B McHatchins wonders why God hates him after women at a Christian college told him that God told them they could not date him Crushed T B leaves school and transfers to another school that is public where he finds people are more accepting to him than were at the christian college Follow along as T B learns to regain his faith in God after having it stripped away by Christians at school In this book you will learn how easy it was for T B to lose his faith based on what Christians at a Christian University said about him They made excuses as to why they did not like him and blamed God Because of this T B spent years trying to learn why God hated him For years he was afraid to set foot inside the church thinking he would offend

or hurt the other Christians and he felt his being at church would hurt God T B defies the odds and tries to find his faith in God again This book is a story about a young man with asperger syndrome who loses God and then finds him again There are many ups and downs to this story T B s confusion causes him to often think he is not a real person T B often sees himself as a disability which is not healthy to him or others Instead T B is now focused on finding God and getting closer to him again Despite women that told him that God said they could not date him T B knew deep down that God cared about him and loved him This book will follow T B s journey from Christ to Satan and then back to Christ again Autism's Hidden Blessings Kelly Langston,2011-06-07 Encouragement and inspiration for special needs families God has a unique and magnificent purpose for every child a purpose that is no less important for special needs children Through the story of her own ongoing struggles and victories raising her autistic son Kelly Langston brings to light God s promises for exceptional kids and highlights covenants that assure special needs parents of their children s potential and beauty Autism and the God Connection William Stillman,2006-04 Everyone who seeks a more compassionate and wise life will benefit from this wonderful insightful and beautiful book Gary Zukav author of The Seat of the Soul One in 68 US children have an autism spectrum disorder and with countless parenting books helping families care for children with special needs Autism and the God Connection is the crucial spiritual look at understanding a child with autism Helping parents realize their child s unique spirit and reaffirm that every one of us is a blessing this is an inspirational resource to discovering the intellect beauty and complexities of children with autism Through countless interviews William Stillman documents extraordinary examples of spiritual giftedness and boldly challenges our traditionally held beliefs about people with disabilities Readers will discover hope comfort inspiration and love through these affirming anecdotes of ordinary families **Fluid with God** David J. Lynden,2016-04-28 The relationship with God is not a cliché but it does present its challenges What if the struggle to connect with God has less to do with His invisibility and more to do with our spiritual autism our confusion with God and subsequent retreat to religious routines What if God is trying to connect with us much like a parent works to connect with their autistic child Through the cover to cover story of the Bible practical aids and his own experiences with his son Micah the author offers a pathway towards genuine eye contact with God How Autism Saved My Life Leticia Odametey,2015-04-14 This book is a tell all of my life dealing with a child who has autism Going through the struggles of treatment and how it brought me closer to God And how having that close relationship with Him has been a huge factor in my son s treatment *Blessed by Autism and Other Trials of Life* Elizabeth Nabet,2018-08-20 Elizabeth Nabet remains active in spending quality time with her four children and their families This includes her five grandchildren Her two youngest children Gerard and Joseph are both diagnosed in the autism spectrum Joseph is high functioning with Asperger s syndrome Gerard entered a group home in December 2014 one month after the sudden passing of Elizabeth s husband Ed in November 2014 Her time is divided between caring for her family and teaching at her Church s Faith Formation in preparing second graders for receiving their

How I See God in Autism Travis Breeding, 2014-07-02 This is a story about how I am finding my faith in God again after struggling with it for many years after being diagnosed with Autism It can be challenging to see how God is working in your life when you are being rejected and judged by many of God's people in church It can be very difficult to find an accepting church when you are different or Autistic This book is about Autism and Faith There are not many books out there about Autism and faith How does God play a role in someone with Autism's life This is an area that can be touchy for many individuals living with Autism We live in a society where anyone who is different or appears to be different is often judged by others Sometimes this includes being judged by people in places in which one would assume you would find the most acceptance and love As a child growing up I struggled greatly with fitting in at school and making friends with my peers I can remember how I would get excited as a little boy just waiting on the weekend to get here because I would not have to go to school and face all of the social struggles I had with the other children As a little kid Sunday school class was a lot of fun and I felt accepted there I felt as if I belonged I remember one of my favorite songs being Jesus Loves the Little Children Red and Yellow black and white they are precious in his sight
