This book will be an extremely helpful resource for counselors in their work with boys and adolescent males. It is highly recommended for all mental health practitioners.

Pamela Paisley Ed D The University of Georgia President Association of Counselor Education and Supervision As we try to understand the violence that has rocked our schools, one common denominator stands out. The perpetrators are all young males. School counselors confirm that there are a lot of angry young men out there. Why are they so angry? What can we do to better understand them? How can we help?
