The Routledge Companion to Entrepreneurship Ted Baker, Friederike Welter, 2014-09-15 Research in entrepreneurship has been booming with perspectives from a range of disciplines and numerous developing schools of thought. It can be difficult for young scholars and even long time researchers to find their way through the lush garden of ideas we see before us. The purpose of this book is to map the research terrain of entrepreneurship providing the perfect starting point for new and existing researchers looking to explore. Topics covered range from emerging perspective through issues at the core of the field to innovative methodologies. Starting off with a preface by Bill Gartner each section of the book brings together a world class set of established leading researchers and rising stars. This considered comprehensive and conclusive companion integrates the recent debates in entrepreneurship research under one cover to provide a resource which will be useful across disciplinary boundaries and for a whole range of students and researchers. *Entrepreneurship and Development in the 21st Century* Bruno S.
