Hawthornes Calm Book Three The Oceans Series:

Hawthorne (English Men of Letters Series) Henry James, 2019-11-25 In Hawthorne part of the esteemed English Men of Letters series Henry James offers a rich and nuanced examination of Nathaniel Hawthorne's literary contributions and the complexities of his character. James employs a biographical approach blending detailed critical analysis with a deep appreciation for Hawthorne's themes, particularly his explorations of morality, isolation, and the human psyche. Written with James's characteristic prose, lyrical yet incisive, the work situates Hawthorne within the broader landscape of American literature, asserting his vital role in shaping the nation's narrative identity against a backdrop of Puritanical influence. Henry James, a pivotal figure in literary realism, was deeply influenced by the American landscape and its cultural narratives, much like Hawthorne himself. James's own transatlantic experience, navigating between American ideas and European sensibilities, shapes his perspective in this study. His keen interest in character psychology and moral ambiguity resonates throughout the text, reflecting his admiration for Hawthorne's ability to delve into the intricacies of human emotion and ethical struggle. I recommend Hawthorne to scholars and enthusiasts of American literature alike. James's insightful reflections and eloquent prose afford readers a profound understanding of Hawthorne's lasting impact on literature. This work not only illuminates the essence of Hawthorne's writing but also serves as a vital exploration of early American literary identity.

Hawthorne's Calm M. A. DeOlmos, 2014-12-01 For some life has a grand and beautifully wicked way of handing out life's lessons. Ocean and Lawrence Hawthorne can attest to this until they've run themselves to the ground. Yet somehow within those lessons that leaves them emotionally battered and scarred comes the birth of new hope. New life. Ocean Hawthorne is a man of action and principal. His past drug addiction and healing wounds of causing his twin sister's death has and still continues to shape him into the fierce fighter he's become outside the MMA cages. Life has been cruel to him yet it still managed to give him the one person who gives his lungs the sole reason to keep breathing. Livie Acosta. Livie has been through the worst of the worst. She lost her mother to suicide, followed by her father who was also her best friend in an unexpected death which only led to her own suicide attempt. She has fought all her life. Lost a lot of those battles yet still manages to keep her head above the turbulent rising waters with her feet planted on the ground. She is growing into her own person while becoming a firm and steady anchor within the Hawthorne family. She will soon learn what it is like to be completely selfless and will be driven more than ever to rise above the demons who have haunted her all of her life. There is one thing that she will have to face head on whether she is prepared to or not. As a Hawthorne she has no other option but to fight and conquer. Lawrence Hawthorne has been the glue within the razor-edged pieces of hearts; his family is still trying to piece together. He's never met a challenge he couldn't overcome, test he couldn't surpass, or women he couldn't protect. Livie his Sunshine was the first stranger to flip his world upside down in all the right ways, and now he has the beautiful and witty Dulce on his arm to keep him on his toes. He still has a lot to learn about his soul mate's past. Even though he is a powerful force of determination and

love he finds himself in a bind when his guilt over Dulce's past begins to tear away at his heart Together this new family will have to conquer the worst Ocean will have to grow wiser in patience Livie will have to come to terms with her mother's intuition Lawrence will have to let the past be exactly that the past as Dulce will finally have to let someone in Will these fierce souls find the strength within each other to find the calm after the storm or will they continue to repeat their pasts once again
