White,2018-07 Do you want to inspire and motivate people Do you wish you knew how to energize your team help focus them and give them a sense of purpose Understanding the foundations of leadership and influence is crucial for all leaders and managers In Jim White s newest book Leadership and Influence Inspiring Self motivation in People you ll discover the difference between influence and leadership and learn effective techniques for sharing your vision and becoming a more effective leader      **How Successful People Lead** John C. Maxwell,2013-05-21 In this perfectly compact read 1 New York

Times bestselling author John C Maxwell explains how true leadership works It is not generated by your title In fact being named to a position is the lowest of the five levels every effective leader achieves To be more than a boss people are required to follow you must master the ability to inspire and invest in people You need to build a team that produces not only results but also future leaders By combining the advice contained in these pages with skill and dedication you can reach the pinnacle of leadership where your influence extends beyond your immediate reach for the benefit of others Derived from material previously published in the Wall Street Journal bestseller The 5 Levels of Leadership      **Positive Influence** Grant D.

Fairley,2020-12 Is it your turn to lead We need our leaders Whether it is in a corporation government or community great leaders do not just do the job they create a better future These are leaders who have learned the long term value of influence rather than control as a leadership model Grant D Fairley is an executive coach and seminar speaker who takes the reader through the big ideas of being an influential leader Working with major corporations governments educators and community groups Grant guides those individuals and teams where conflict is destroying the workplace to a fresh start Through a better understanding of self and those they serve leaders and teams are renewed Individuals are encouraged to see their story in a

different way The result is effective leadership and productive teams who take on the challenges they face with energy and commitment Positive Influence How to Lead Your World is for those who are new to leadership and is a refresher for experienced leaders as well      **Leadership is Dead** Jeremie Kubicek,2011-05-03 This book shows that the key to effective leadership is learning how to influence in a way that engenders greater trust stronger partnerships and more impactful endeavors Anyone can make an impact All you need is influence the most potent professional asset on the planet The problem is that influence is also the most underused asset on the planet And the primary reason is that the enemy of influence is a universal human trait self preservation You guard your ideas your status and your reputation Within your self constructed walls you must cast safer visions take smaller risks and accept shallower relationships to ensure the security of all you are protecting This is the downside of self preservation While your walls protect you and yours from demise they also restrict your influence You must break down your walls of self preservation and sacrifice your security for the sake of others Only then does the escalating paradox of personal generosity come into play The more you give the more you receive This book shows that the key to effective leadership is learning how to influence in a way that engenders greater trust stronger partnerships and more impactful endeavors      Speaking to Influence Laura Sicola,2019
