The Blood Knot MASTER HAROLD and the boys A Lesson from Aloes and Sizwe Bansi Is Dead The energy and poignancy of Fugard's work have their origins in the institutionalized racism of his native South Africa and more recently in the issues facing a new South Africa after apartheid In The Dramatic Art of Athol Fugard Albert Wertheim analyzes the form and content of Fugard's dramas showing that they are more than a dramatic chronicle of South African life and racial problems Beginning with the specifics of his homeland Fugard's plays reach out to engage more far reaching issues of human relationships race and racism and the power of art to evoke change The Dramatic Art of Athol Fugard demonstrates how Fugard's plays enable us to see that what is performed on stage can also be performed in society and in our lives how inverting Shakespeare Athol Fugard makes his stage the world **Voices of Justice and Reason** Geoffrey V.

Canon Richard Hudson Palmer, 1988-10-19 Palmer clearly states that his purpose is to explain the ways of critics to theatre practitioners the ways of theatre to inexperienced reviewers and the dynamic convergence of theatre and critic to anyone interested in theatre The work is a well written primer for writers and it will be useful primarily to performers who object to unfavorable criticism without understanding the nature and purpose of reviewing Accessible to general readers and undergraduates Choice Palmer begins with an examination of the theatrical review as a medium for informing and entertaining theatregoers documenting events of artistic of community importance and supporting theatre through critical evaluation and publicity He next comments on how journalistic pressures affect reviewers Citing brief examples from hundreds of reviews the author devotes a chapter to each of the elements that needs to be covered in a review including performers script direction music and choreography together with stage and lighting design and other physical aspects of the production The final chapter develops criteria for assessing the strengths and weaknesses of a theatrical review based on aesthetic standards the cultural tastes of theatregoers and the interests of the community Palmer s experience as both a theatre professional and a journalist gives him an intimate understanding of the antagonism that often develops between reviewers and those who feel themselves to be the target of irresponsible criticism His book provides a clear perspective on theatrical matters and guidelines that will help to improve standards of reviewing and create an appreciation of the essential relationship between the theatre and its critics *The International Who's who* ,1985 **TLA Film, Video, and DVD**
