survivors Long dismissed as myth these so called Edfu Building Texts preserve in extraordinary detail the memory of a sacred isle an Atlantis of the Nile that became the blueprint for Egyptian civilization The Edfu Atlantis Theory explores this forgotten legacy showing how Egypt s myths of Zep Tepi the First Time were not idle legends but ritualized survival manuals The Pyramid Texts Coffin Texts Memphite Theology and Osirian mysteries all converge on the same truth the Egyptians believed their temples rituals and kingship were reconstructions of an earlier world that had been lost The sacred benben stone the djed pillar the stretching of the cord and the orientation of sanctuaries to stars were not innovations but restorations of a primordial plan This book argues that Egypt was more than a civilization of the Nile It was the ark of memory carrying forward the design of a drowned world From the Followers of Horus to the great temples of Karnak Abydos and Edfu the evidence reveals a people determined never to forget the island of origins By blending archaeology myth and ritual The Edfu Atlantis Theory uncovers how Egypt became the living Atlantis of antiquity the civilization that remembered rebuilt and raised the world again

Parapsychology, New Age, and the Occult ,1993 *Master J. Todd Ferrier*,2016-11-30 This book is a mystical portrayal of the life and work of the one known as Jesus Christ and as such belongs to an entirely different context to the many other books that have been written on this subject which usually have a historical Biblical or academic standpoint We learn that the terms Jesus and Christ are not personal names but states of consciousness in life Jesus is the life of selfless love and Christ is the radiance which that life brings All men and women can live the Jesus life and the Christ Life will come again within Souls who have attained that state of embodied consciousness The Master fully manifested the states of Jesus Christ and Lord consciousness His mission was distinct and unique To those who could hear he spoke inner truths often in parable and allegory which awoke their spiritual memory These truths were of the Soul cosmic in their significance and greater than any ecclesiastical setting could express As well as finding Souls who could respond to his teaching the Master was especially constituted to bear and change the dense unspiritual conditions of the Planet through the mysterious process known as the Sin offering Many familiar stories are reinterpreted here taken out of their hitherto local and personal settings and re presented as spiritual teaching The Master s mission was from the Heavens to be a pure manifestation of beautiful spiritual truth and healing motion As such his sayings his actions and his whole life revealed the Divine world
