Understanding Criminal Procedure: Adjudication Joshua

Dressler,Alan C. Michaels,2006 The Fourth Edition of this clearly written Understanding treatise is new in many respects Most significantly it has been enlarged to two volumes Volume One Investigation is intended for use in criminal procedure courses focusing primarily or exclusively on the police investigatory process Volume Two Adjudication covers the criminal process after the police investigation ends and the adjudicative process commences The text covers the most important United States Supreme Court cases in the field Where pertinent the Federal Rules of Criminal Procedure federal statutes and lower federal and state court cases are considered The broad overarching policy issues of criminal procedure are laid out and some of the hottest debates in the field are considered in depth and objectively The authors have also included citations to important scholarship both classic and recent into which readers may delve more deeply regarding specific topics

Criminal Procedure Arnold Loewy,2015-05 To view or download the 2018 Supplement to this book [click here](#) This book is designed for a complete Criminal Procedure course This book is not designed exclusively for future criminal law practitioners Rather it is designed as a roadmap for those who wish to learn about governmental limitations on police and or trial procedures in the criminal context The presentation of the materials is focused rather than scattershot Each case is presented lightly edited with a series of focused questions and notes following it The importance of the questions cannot be overemphasized Each student coming into class will or should have thought about the questions while reading the case This should immensely improve the quality of class discussion At the same time the fact that the students have the questions in advance has a wonderful palliative effect on students putting them at ease because they know the questions in advance Additionally the book is carefully edited with an eye towards the number of hours typically available for a class The police practices material is designed to be taught in a three hour class The entire book is designed for a four hour class The accompanying Teacher s Manual suggests breakdowns for those wishing to adhere to the schedule This book also is available in a three hole punched alternative loose leaf version printed on 8 5 x 11 inch paper with wider margins and with the same pagination as the hardbound book Investigative Criminal Procedure in Focus Todd A. Berger,2020-02-02 Investigative Criminal Procedure in Focus provides today s law students with a thorough understanding of investigative criminal procedure Using an innovative approach to teach the law its pedagogical features not only facilitate the mastery of complex legal concepts but provide hands on exercises that give students the tools they need to succeed The book is divided into two parts Part I provides a general introduction to the world of criminal procedure Chapter 1 sets the stage by explaining the differences between substantive criminal law and criminal procedure as well as the differences between the investigative and adjudicative stages of the criminal justice process Chapter 2 focuses on the sources of criminal procedure law Part II of the text begins the study of investigative criminal procedure Chapters 3 to 6 each focus on a specific aspect of Fourth Amendment jurisprudence Chapter 7 focuses on interrogation law and Chapter 8 addresses eyewitness identifications

Professors and Students will benefit from The Focus Casebook Series structure that uses author written text to explain doctrine openly and clearly Many criminal procedure issues lend themselves to not only doctrinal discussion of the law but also to broader policy oriented topics Berger takes a balanced approach that allows professors to choose which policy issues to cover in class Thoughtfully selected cases framed by introductory questions and post case analysis that teach students key concepts Real Life Applications Applying the Rules and Criminal Procedure in Practice hypotheticals frequently based on real cases that provide opportunities for critical analysis and application of concepts covered in the chapters A discussion in Chapter 1 of competing values in criminal procedure as well as the roles of race class and gender in criminal law Complete and thoughtful discussion Fourth Amendment including What constitutes a Fourth Amendment search and seizure Who is covered by the Fourth Amendment The state action and standing requirements Chapter 3 Probable cause and warrants Chapter 4 Exceptions to the warrant requirement Chapter 5 The exclusionary rule Chapter 6
