The Maths Clinic, 2016-03-03 Mastering Core Mathematics 2 is a revision guide published by The Maths Clinic to provide a coherent and structured revision programme for A Level students. The focus of the guide is on the Key Points or the fundamentals related to each topic and their application in solving problems. By following the study plan set out in the guide, the student is able to achieve the following:

- Master the underlying principles and formulae associated with each topic.
- Learn to apply the key points to solve problems.
- Validate subject knowledge with self tests.
- Tackle complex questions with ease.

The guide is designed to take students beyond the basics and transform them into star performers at the examination. Besides being a revision tool, the guide complements regular school lessons and is designed to help all students regardless of their level of proficiency in Mathematics achieve top grades.
