Mastering Purchasing Management For Inbound Supply Chains:

Mastering Purchasing Management for Inbound Supply Chains Thomas A. Cook, 2010-11-08 Importing finished products components and raw materials has become the status quo in today's increasingly competitive business landscape. The lessons of inbound supply however can be very costly if learned through a trial and error approach especially foreign purchasing. By not understanding the parameters of landed costs alone purchasing managers can suffer. **Mastering Purchasing Management for Inbound Supply Chains** Thomas A.
