Good Night Brooklyn Good Night Our World:

Good Night Brooklyn Adam Gamble, Mark Jasper, 2013-11-01 Many of North America's most beloved regions are artfully celebrated in these board books designed to soothe children before bedtime while instilling an early appreciation for the continent's natural and cultural wonders. Each book stars a multicultural group of people visiting the featured area's attractions and rhythmic language guides children through the passage of both a single day and the four seasons while saluting the iconic aspects of each place. Covering all aspects of Brooklyn, this board book celebrates this unique New York City borough. It highlights such places as Coney Island, the Brooklyn Bridge, Prospect Park, the Prospect Park Zoo, the Brooklyn Botanic Garden, the New York Transit Museum, the Brooklyn Nets, the New York Islanders, the Brooklyn Public Library, and much more.

Normal Instructor and Teachers World, 1928 **Off Broadway Musicals, 1910-2007** Dan Dietz, 2010-03-10 Despite an often unfair reputation as being less popular, less successful, or less refined than their bona fide Broadway counterparts, Off Broadway musicals deserve their share of critical acclaim and study. A number of shows originally staged Off Broadway have gone on to their own successful Broadway runs, from the ever popular *A Chorus Line* and *Rent* to more offbeat productions like *Avenue Q* and *Little Shop of Horrors*. And while it remains to be seen if other popular Off Broadway shows like *Stomp*, *Blue Man Group*, and *Altar Boyz* will make it to the larger Broadway theaters, their Off Broadway runs have been enormously successful in their own right. This book discusses more than 1,800 Off Broadway Off Off Broadway showcase and workshop musical productions. It includes detailed descriptions of Off Broadway musicals that closed in previews or in rehearsal, selected musicals that opened in Brooklyn and in New Jersey, and American operas that opened in New York, along with general overviews of Off Broadway institutions such as the Light Opera of Manhattan. The typical entry includes the name of the host theater or theaters, the opening date, and number of performances; the production's cast and creative team; a list of songs; a brief plot synopsis; and general comments and reviews from the New York critics. Besides the individual entries, the book also includes a preface, a bibliography, and 21 appendices, including a discography, filmography, a list of published scripts, and lists of musicals categorized by topic and composer.
