Gospel Shaped Worship Leader's Guide Jared Wilson, 2015-04-13 Leader's Guide for the Worship track of Gospel Shaped Church from The Gospel Coalition exploring how a church should be a worshipping community Gospel Shaped Church is a curriculum from The Gospel Coalition that will help whole congregations pause and think carefully and prayerfully about the kind of church they are called to be This seven week whole church curriculum explores what it means to be a worshipping community The Leader's Guide contains everything you need to lead this flexible course Christians are people who have discovered that the one true object of our worship is the God who has revealed himself in and through Jesus Christ For most believers worship is what happens for an hour on Sunday morning as we sing and pray together But the Bible reveals a much bigger vision for what worship really is and how it should shape our lives So what exactly is worship What should we be doing when we meet together for church on Sundays And how does that connect with what we do the rest of the week As we search the scriptures together we will discover that true worship is more than this it is to encompass the whole of life This engaging and flexible resource will challenge us to worship God every day of the week with all our heart mind soul and strength This flexible resource will train your whole church through teaching preaching daily reading and small group Bible study and discussion or any combination of those elements The overall aim is that your church will embark on a journey to discover the kind of people they should be as they are shaped by the gospel of Jesus Christ Works alongside the Gospel Shaped Worship DVD and the Gospel Shaped Worship Handbook for use by church members *Gospel Shaped Worship Handbook* Jared C. Wilson, 2015-04-13 What is true for us as individuals is true for us as a gathered community of God's people We discover in the Bible that a church that is centered on the gospel of Jesus Christ will be shaped by the gospel of Jesus Christ And a church shaped by the gospel of Jesus Christ will see that its true service of worship is conducted both inside the formal gathering of believers and outside it as well **Gospel Shaped Living Leader's Guide** Vernon Pierre, 2015-10-16 Leader's Guide for a seven week whole church course exploring how a church should live as a light to the world Gospel Shaped Church is a curriculum from The Gospel Coalition that will help whole congregations pause and think carefully and prayerfully about the kind of church they are called to be Gospel Shaped Living is a track that explores over 7 sessions what it means for a local church to be a distinctive countercultural community How should Christians live The church should be a distinctive community of God's people but how different are we from the rest of the world This track helps us untangle some of the false ideas and traditions that evangelicals have had in the past and reveals the more deeply challenging picture that emerges from Scripture This flexible resource will train your whole church through teaching preaching daily reading and small group Bible study and discussion or any combination of those elements The overall aim is that your church will embark on a journey to discover the kind of people they should be as they are shaped by the gospel of Jesus Christ *Gospel Shaped Mercy Leader's Guide* Stephen Um, 2017-04-03 Leader's guide for the seven week whole

Worship and Power Sarah Kathleen Johnson,Andrew Wymer,2023-03-22 Christian worship emerges from and speaks back into human relationships that are necessarily shaped by power and authority Free Churches structure and negotiate power in relation to worship in ways that reflect the decentralization local diversity and personal agency that characterize many aspects of Free Church theology and practice This volume models how dialogue among scholars and practitioners of Free Church worship as well as dialogue with the wider church can be mutually enriching as Christians strive together to worship in ways that are faithful and just *The Gospel-Driven Church* Jared C. Wilson,2019-03-12 Many evangelical churches face the problem of the open back door even as new people arrive older members are leaving looking for something else Combined with this problem is the discipleship deficit the difficult truth that most evangelicals are not reaching the unchurched at the rates they think they are In fact many of the metrics that we often count in the church to highlight success really don't tell us the full story of a church's spiritual state Things like attendance decisions dollars and experiences can tell us something about a church but not everything To cultivate a spiritually healthy church we need a shift in our metrics a grace shift that prioritizes the work of God in the lives of people over numbers and dollars Are people growing in their esteem for Jesus Is there a dogged devotion to the Bible as the ultimate authority for life Is there a growing interest in theology and doctrine A discernible spirit of repentance And perhaps most importantly is there evident love for God and for our neighbors in the congregation Leading a church culture to shift from numerical success to the metrics of grace can be costly but leaders who have conviction courage and commitment can lead while avoiding some of the landmines that often destroy churches Wilson includes diagnostic questions that will help leaders measure and lead team transparency in measuring as a group the relative spiritual health of their church as well as a practical prescriptive plan for implementing this metric measuring strategy without becoming legalistic Most attractional church models can lean heavily on making changes to the weekend worship gatherings And while some of these changes can be good thriving grace focused churches are driven by a commitment to the gospel allowing the gospel to inform and shape the worship service and the various ministries of the church *The Worship Pastor* Zac M. Hicks,2016-10-11 Modern worship leaders are restless They have

inherited a model of leadership that equates leading worship with being a rock star But leading worship is more than a performance it s about shaping souls and making disciples Every worship leader is really a pastor The Worship Pastor is a practical and biblical introduction to this essential pastoral role Filled with engaging illustrative stories it is organized to address questions of theory and practice striving to balance conversational accessibility with informed instruction Part One presents a series of evocative vignettes intriguing and descriptive titles and metaphors of who a Worship Pastor is and what he or she does It shows the Worship Pastor as Church Lover Disciple Maker Corporate Mystic and Doxological Philosopher Part Two covers specific roles related to ministry within the worship service itself the Worship Pastor as Theological Dietician Caregiver Mortician Emotional Shepherd War General Prophetic Guardian Missional Historian and Liturgical Architect Part Three looks at ministry beyond the worship service the Worship Pastor as Visionary Teacher Evangelist Artist Chaplain and Team Leader While some worship leaders are eager to embrace their pastoral role many are lost and confused or lack the resources of time or money to figure out what this role looks like Pastor Zac Hicks gives us a clear guide to leading worship one that takes the pastoral call seriously Baptists and Worship R. Scott Connell,2020-11-30 Worship is dialogue It is more than that but it is not less than that The way Baptists have worshiped for three and a half centuries demonstrates this consistently in spite of their penchant for freedom and autonomy No one tells Baptists how to order their worship services They don t have a common liturgy that they must follow and yet their services look remarkably similar This is largely due to two controlling factors in their worship The Bible that they embrace as inspired inerrant authoritative and sufficient and the Christ revealing gospel that is contained within its pages When the word of God is followed closely a shape for worship order begins to emerge It is the same gospel shape that is found throughout the Bible When the word of God is applied to a worship service in which God and his people are engaged in a worship conversation a consistent contour of gospel elements and content begins to emerge that reveals the glory of the Christ we gather to worship He is so glorious that when we behold him we are transformed into the same image from one degree to another This is the power of corporate worship 2 Cor 3

By the Waters of Babylon Scott Aniol, 2019-03-21 A

guide to biblically shaped worship which has the greatest missional impact in a post Christian culture By the Waters of Babylon examines a relationship between worship culture and evangelism that is centered in a desire for biblical fidelity rather than cultural relevance Imagine how the Hebrews felt during their years of captivity in Babylon How could they sing the songs they once sang in the spender of Jerusalem now that they sat in exile Christian worship in the West faces many of the same challenges as this tragic account of Israel s captivity By all accounts Christendom is dead and unbiblical beliefs have progressively permeated Western thought expectations and culture So how should churches respond to this seismic shift in their relationship with an increasingly post Christian culture while still following the biblical mandate to reach that culture with the gospel of Jesus Christ By the Waters of Babylon will help Christians wrestle through this critical issue of the relationship between Christian worship and evangelistic witness especially in the context of an increasingly hostile culture The author demonstrates that biblically regulated gospel shaped corporate worship that communicates God s truth through appropriate cultural forms will have the most missional impact in a post Christian context
