Sherif Boraie, 2008 Between the 1930s and the 1960s the Egyptian cinema industry was at its height producing hundreds of black and white comedies dramas and romances many of which became enduring classics much loved and watched over and over throughout the Arab world in cinemas and on television Whatever the genre love was always a central theme ideal love impossible love love won love lost Here in this sumptuous large format treatment Sherif Boraie has gathered over a hundred promotional stills from more than eighty great Egyptian movies In glorious black and white stars who are household names from Casablanca to Baghdad pucker or pout cower or scowl clinch or croon scheme or triumph There are the divas and the crooners Umm Kulthum Laila Murad Abd al Halim Hafez Farid al Atrash the leading ladies Faten Hamama Suad Husni the leading men Omar Sharif Rushdi Abaza the dancers Naima Akif Tahiya Carioca the villains Tawfiq al Diqn Mahmoud al Meligui and the comics Mary Munib Isma il Yasin Not to mention the child star Fayruz the people s hero Farid Shawqi and the magnificent Hind Rustom Introduced and captioned in English and Arabic this book of the greatest and the best of Egyptian cinema will appeal to classic film lovers everywhere *Golden Ages Og the Theater* Kenneth Macgowan, William Melnitz, 1979 **The Golden Age of Cinema** Richard Jewell, 2007-09-04 This comprehensive book illuminates the most fertile and exciting period in American film a time when the studio system was at its peak and movies played a critical role in elevating the spirits of the public Richard B Jewell offers a highly readable yet deeply informed account of the economics technology censorship style genres stars and history of Hollywood during its classical era A major introductory textbook covering what is arguably the most fertile and exciting period in film 1929 1945 Analyzes many of the seminal films from the period from The Wizard of Oz to Grand Hotel to Gone with the Wind considering the impact they had then and still have today Tackles the shaping forces of the period the business practices of the industry technological developments censorship restraints narrative strategies evolution of genres and the stars and the star system Explores the major social political economic and cultural events that helped to shape contemporary commercial cinema as well as other leisure activities that influenced Hollywood production including radio vaudeville theatre and fiction Written in a jargon free lively style and features a number of illustrations throughout the text Translating the Theatre of the Spanish Golden Age David Johnston, 2015-03-13 What this book most definitely is not is yet another academic discussion of Lope de Vega Calderon and their contemporaries divorced from any understanding of what makes these plays work so brilliantly on our stages Instead it is a leading contemporary translator s account of why these plays deserve to assume their rightful place in our performance repertoire firmly set within the demands and opportunities of how our theatre works In a way it is the story of a love affair between a translator and a dramatic tradition whose riches are only now becoming apparent to theatre audiences but it is also an exploration of the ways in which translation itself takes plays that are distant from us in time and space and makes them real and visible in terms of our own experience and our contemporary sensibilities Social Justice in Spanish Golden Age Theatre Erin Cowling, Tania de Miguel Magro, Mina Garcia Jordán, Glenda Y. Nieto-Cuebas, 2021-02-01

This collection of original new essays focuses on the many ways in which early modern Spanish plays engaged their audiences in a dialogue about abuse injustice and inequality Far from the traditional monolithic view of theatrical works as tools for expanding ideology these essays each recognize the power of theatre in reflecting on issues related to social justice The first section of the book focuses on textual analysis taking into account legal feminist and collective bargaining theory The second section explores issues surrounding theatricality performativity and intellectual property laws through an analysis of contemporary adaptations The final section reflects on social justice from the practitioners point of view including actors and directors Social Justice in Spanish Golden Age Theatre reveals how adaptations of classical theatre portray social justice and how throughout history the writing and staging of comedias has been at the service of a wide range of political agendas

A Primer in Theatre History William Grange, 2012-12-14 A Primer in Theatre History covers productions personalities theories innovations and plays from ancient Greece to the Spanish Golden Age Grange discusses theatre from 534 BC in Athens to 1681 AD in Madrid The book contains highly informative chapters on theatre culture in the ancient classical world the medieval period the Italian Renaissance classical Asia German speaking Europe France to 1658 and England to 1642 Following a wide ranging introduction chapters allow the uninitiated reader straightforward access to well researched material often presented in a humorous and approachable fashion Descriptions of films augment discussions of theatre while an extended bibliography and comprehensive index assist the reader in making further inquiries Each chapter features illustrations by Mallory Prucha a designer and graphic illustrator who has received several awards at theatre conferences around the US A Primer in Theatre History does not read like a scholarly tome Its whimsical wrinkles offer readers a more contemporaneous view of theatre than is customary It employs for example frequent references to movies germane to topics and time periods under discussion Such use of film promotes familiarity among younger readers who can then appropriate analogies to theatre performance
